

Oregon City, August 25, 1893.

The people of the West do not appreciate the crippled condition of industries in the Atlantic states. In Lawrence, Mass., three woolen mills...

The 1,075,000 people composing the population of the seven sister states, Arizona, Colorado, Idaho, Montana, Nevada, New Mexico and Utah, demand that the country shoulder the free and unlimited coinage of silver at the ratio of 16 to 1 for its special benefit.

The press of the state is pretty generally opposed to the desire expressed by Gov. Penoyer of calling an extra session of the legislature for the purpose of enacting a "stay law."

The Hillboro Democrat says that while in Portland last week Wednesday, "we were in one of the side rooms of a 'shaving machine,' usually known as a loan-broker's office...

AN EVENING WITH A MEDIUM.

Henry Allen Gives a Materializing Seance—Mysterious Music in the Air.

Old General Putnam's Case

The following anecdote is told of Gen. Israel Putnam, the heroic ancestor of our fellow-citizen, Israel P. Putnam, the owner of Rock Island:

Soon after the English and Spanish troops got through the mountains in Cuba in 1762 "Old Put" fetched up in the island, and while strolling about of Havana one day he saw a Spanish planter "lugging" a slave with a stout...

Very respectfully,
SYLVESTER PENYOER, GOVERNOR.

GRANT'S PASS, OR., Aug. 17, 1893.

Hon. Charles Nickell, Jacksonville, Or.

Dear Sir—Having received numerous communications regarding the present financial stringency, to call an extra session of the legislative assembly for the purpose of passing a law for the relief of the people...

Very truly yours,
CHAR. NICKELL.

Congress Since 1859.

It is commonly said that the demagogues of the first term since 1861, this last being the date of the inauguration of the first republican president...

During the first half of Mr. Buchanan's administration, that is to say from March 4, 1857, to March 4, 1861, the demagogues of every department of the government...

After March 4, 1859, this condition of things no longer existed. When congress met in December, a long struggle ensued over the organization of the house, which ended on February 1, 1860...

The phrase "That beats boltain" is not uncommon even now in many parts of the country, especially in the south...

Plowing Under Crops.

The continuous growth of crops by the use of artificial fertilizers will certainly result in a serious loss of fertility, unless an ample supply of the natural carbonic matter is given...

He Took Them All Back.

He had quarreled with the high spirited girl and she handed him a package. "There, Mr. Ferguson, are the presents you have given me. Now that all is over between us, sir, there should be no reminders of the foolish past."

Church Chimes Are Common.

Within the last sixteen years only two new chimes have been put up in this city—those of St. Michael's church and those of St. Andrew's. In 1878 there were three chimes—those of Trinity, Grace church and St. Thomas. At that time a writer in one of the prominent magazines expressed surprise that there should be a chime away off in Eureka...

The Boy's Idea of It.

It seemed as if the visitor would go away. She had been there a month or more and gave no signs of departure. One day the small boy of the house was looking at her very intently at the table.

A New Geological Fault.

At the annual meeting of the British Association for the Advancement of Science, Dr. G. C. Knott gave a report on earthquake phenomena in Japan. Among effects of the recent earthquake were mentioned the depression of a valley by about fifteen feet for a distance of thirty miles...

The Sword Came in France.

Long cries for help were heard proceeding from the hotel of the Rue de la Chapelle on Saturday night, and on hastening to the spot the police found three men lying wounded on the pavement. One of them, named Francois de Geyer, had been run through the body with a sword...

Forgot His Military Duty.
