Disease Preventative or Blood The following are a few of the many testimonials vouching for the efficacy of this great remedy:

of this great remedy:
Origon City, April 6, 1863.

A. H. Finnigan. Dear Sir:—I have used your Disease Preventative or Champion Blood Purifier and given it attorough trial and deem it all that it is represented to be. I used it specially for treating some skin cruption or little watery lumps that appeared on a horse ancek and shoulders. After using about half a package of your powder the lumps complete; disappeared and left lid skin as clear and smooth as velvet. As a blood purifier I have never yet met its equal, therefore I take great pleasure his recommending it to all horse owners.

Yours respectfully, W. Finn.

OREGON CITY, April 26 1808.

A. H. Finnigon. Dear Sir:—I have used your Disease Preventative or Champion Blood Purifier on a mare suffering from some skin disease and urinary trouble. Less than one package cured her completely, in fact. made a new mare of her. As a blood purifier, I have never used its equal, and brace guaranteed free from arsenic, copperagete., I consider it doubly valuable and would strongly recommend its use by all horseowners and breeders.

Yours very truly, Faren Parkers.
