Disease Preventative or Blood Purifier. The following are a few of the many estimonials vouching for the efficacy

FINNICAN'S

of this great remedy: OBEGON CITY, April 6, 1893,
A. H. Finnigan. Dear Sir:—I have
used your Disease Preventative or
Champion Blood Purifier and given it a Champion Blood Purifier and given it a thorough trial and deem it all that it is represented to be. I used it specially for treating some skin cruption or into watery lumps that appeared on a large's neck and shoulders. After using about half a package of your powder the lumps completely disappeared and let has skin as clear and smooth as velvet. As a blood purifier I have never yet me its equal, therefore I take great pleasure in recommending it to all horse owners.

Yours respectfully, W. Fire.

Original Trial and deem it all horse owners.

Yours respectfully, W. Fine.

Ourson City, April 26 1893.

A. H. Finnigan. Dear Sir — I have used your Disease Preventative of Champion Blood Porline on a mare suffering from some skin disease and uring ary trouble. Less than one package cured her completely, in fact, made a new mare of her. As a blood purifier. I have never used its equal, and being guaranteed free from arsenia, copperas, etc., I consider it doobly valuable and would strongly recommend its use by all horseowners as I breeders.

All horseowners and Leeders.
Yours very truly, FRED PAINTER. Prepared only by
