The epitaph on many a tombstone is "heart failure." No wonder, when we consider the immense strain which is put on that small organ. Marvelous as it is, beating 100,000 times and exerting a force equal to 5,184,000 pounds daily, it has its limit—its endurance often is too severely tested. So common are diseases of the heart—though often for a considerable time without the suspicions of the afflicted person being in the least excited—that it is stated that one person in four has a bad heart! Dr. Franklin Miles, of Elkhart, Ind., has for years made a special study of all diseases of the heart, and his remarkable success has made his name a familiar one in all parts of our land. and his remarkable success has made his name a familiar one in all parts of our land. He has found the most common symptoms of heart disease to be pain, distress or tenderness in the chest, back, stomach, bowels, left shoulder and arm, shortness of breath, smothering spells, faistinen, etc.

Mr. George R. Smith, of Barnes, Yates Co., N. Y., writes:—"Dr. MILES' NEW HEART CURE has worked wonderfully on mind and body so I can do a good day's work. I feel ten years younger and take more interest in affairs. I had shortness of breath, palpitation, pain under left shoulder blade, pain around the heart, I could not sleep on my right side. Since I have taken Dr. Miles' New Heart Cure I sleep well, and have no palpitation. It has made my heart stronger. I wish you would print this, because I want all to know what Dr. Miles' Heart Cure has done for me."

for me."

"For months my wife suffered with palpitation, smothering spells, and was unable to sleep on he, left side. She tried several doctors without relief. Your Heart Cure was recommended. After taking three bottles, she fully recovered her health. Your medicines do what you claim."—Chas. Christman, Toledo, O.
