MOTHERS, Do You Know that Paregorie, an's Drops, Golfrey's Cordial, many so-called Soothing Syrups, and

most remedies for children are composed of oplum or morphine? Do You Know that opium and morphine are stupefying narcotic poisons !

Do You Know that in most countries druggists are not permitted to sell darcotics

without labeling them poisons ? Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed ?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle ?

Do You Know that Cantoria is the prescription of the famous Dr. Samuel Pitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined ?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense ?

Do You Know that one of the reasons for granting this government protection was ecause Castoria had been proven to be absolutely harmless?

Do You Know that 35 average doses of Castoria are furnished for 35

HAIR DEATH wes and faccier destroys abj whether upon the heads, fo HOW TO AVOID IT. The epitaph on many a tombstone is "heart failure." No wonder, when we con-sider the immense strain which is put on that small organ. Marvelous as it is, beating the most delivate skin. It was for fifty ears the secret formula of Frasmos

that small organ. Marvelous as it is, beating 100,000 times and exerting a force equal to 5,184,000 pounds daily, it has its limit-its endurance often is too severely tested. So common are diseases of the heart—though often for a considerable time without the suspicions of the afflicted person being in the least excited—that it is stated that one person is four has a bod heart? Dr. Franklin Miles, of Elkhart, Ind., has for years made a special study of all diseases of the heart, and his remarkable success has male his parts of our land.
