WILLAMETTE VALLEY CHAUNTOQUA.

On Friday evening last week members of the Chauntoqua Circle of this city and others met by appointment at the residence of Mrs. E. C. Charman to consider the subject of a Chauntoqua assembly to be held at Gladstone Park July 24th, 25th and 26th.

The stimulus to this most laudable movement was the letter from Rev. S. Smith, superintendent of Pacific Coast Chauntoquas, offering to bring hither some of the star speakers of the Southern Oregon Chauntoqua at the close of its session at Ashland.

As is well known, these assemblies at the East, every valley having its own center of attraction, and all are subsidiary to the great "mother" Chauntoqua of New York.

Thousands of people make their annual pilgrimages to these local Meccas, where the best talent of the day is engaged to instruct and entertain.

In organizing the Oregon City assembly it is desired to invite the cooperation of all religious, educational, social and industrial organizations.

For special days are in course of preparation to be held later, on which, in addition to imported speakers of national reputation, there will participate the best local and Portland talent.

The temporary organization consists of the following officers, whose success in the permanent body will be elected at a meeting on the grounds during the session of the assembly: President, Rev. J. W. Cowan, D. D.; secretary, Charles Meserve; treasurer, D. C. Latourette; executive committee, Col. R. A. Miller, J. A. Chase; committee on music, Mrs. A. S. Dresser, Mrs. E. C. Charman, Mrs. E. E. Williams; committee on finance, H. L. Charman, E. G. Catfield, C. D. Dyer.

Arrangements are being made for a grand chorus under Professor Staub of Chicago.

TERRIBLE AND Sudden DEATH.—The death occurred of R. Vincent McLaughlin, stepson of W. L. Snidow, at Oswego, on Saturday forenoon under terrible circumstances.

McLaughlin was taking a horse to the river with a team and as he passed down the slope this side of the bridge over Tryon creek, it is presumed that the horse, which was not tied to the wagon, slipped down onto the horses, which caused them to run. He was thrown off with the boat at the foot of the slope, smashing his right temple against a rock.

At his request, arrangements are being made for a grand chorus under Professor Staub of Chicago.

ANOTHER SAVED CASE.—Monday, a suit was instituted against the W. P. & C. Co. of Oregon City, in Justice Fouts' court in the Willamette, J. W. Kelly being the complaining witness.

THE BEST MEDICINE.

J. C. Wilson, Contractor and Builder, Sulphur Springs, Texas, thus speaks of Ayer's Pills:

"Ayer's Pills are the best medicine I ever tried; and in my judgment, no better general remedy could be devised. I have used them in my family and recommended them to my friends and neighbors for more than twenty years. To my certain knowledge, many cases of the following complaints have been completely and permanently cured by the use of Ayer's Pills: Biliousness, flatulency, indigestion, constipation, and head aches, and all the ailments which attend a disordered stomach. I have found an absolute cure for the disorders I have named above."

Permanently Cured.

by the use of Ayer's Pills alone: Third day chills, drenching sweats, bilious fever, sick headache, rheumatism, flux, dyspepsia, constipation, and hard stools. I know that a moderate use of Ayer's Pills, continued for a few days or weeks, as the nature of the complaint requires, would be found an absolute cure for the disorders I have named above."

CHILDREN CRY FOR PITCHER'S CASTORIA.

I have two little grandchildren who are teething this hot summer weather and are troubled with bowel complaint. I give them Chamberlain's Colic, Cholera and Diarrhoea Remedy and it acts like a charm. I earnestly recommend it for children with bowel troubles. I was myself taken with a severe attack of bloody flux, with cramps and pains in my stomach, one-third of a bottle of Chamberlain's Colic Remedy within 24 hours I was out of bed and doing my household work. Mrs. W. L. DUNCAN, Bonanza, Hickman Co., Tenn. For sale by G. A. Harding, Druggist.

While at Peckskill, N. Y., Mr. J. A. Scriben, a prominent manufacturer of New York City, purchased a bottle of Chamberlain's Colic Remedy. Such good results were obtained from its use that he sent back to the druggist from whom he obtained it for two more bottles of the same remedy. When you have a cough or cold give this preparation a trial and like Mr. Scriben you will want it when again in need of such medicine. It is a remedy of great worth and men and women of both sexes should have a bottle for sale by G. A. Harding, Druggist.
