Knox Will Run for Sheriff of Yole County in California.

SACRAMENTO, August 14 .- Harry Knox, the ex-strike leader, will run for Sheriff of Yolo county, and his friends confidently expect his election. There is good reason to believe that he will be elected because of the assurances he has received from a great number of voters of Yolo county, representing all political faiths, that they will support him should he allow his name to go before the People's party ticket. This morning the Chairman of the People's party County Committee waited on Knox at his home in the town of Broderick across the river, and told him he could have the nomination by acclamation if he consented to permit his name to go before the convention. Knox said that he was not a politician and was not particularly anxious to run. He was a poor man, and did not have the requisite wealth necessary to meet his campaign expenses. He was assured by the Chairman that all his expenses would be met. and that his candidacy would not cost him adollar. Knox said that on that condition he would consent to run, and
