Let no one think for a moment that because this is a Special Sale and at an unheard of price, that only the poor lots will be sold and the best reserved.

This Great Scheme is simply one plan of advertising GLADSTONE and distributing the lots as widely as possible over Oregon, and in so doing we have actually selected the

Creme de la Creme

Of all the Lots in GLADSTONE, averaging four to the Block. At least 180 of these Lots are ENTIRELY CLEAR and READY TO BUILD UPON. A few Very Choice Lots with some few Oak and Fir Trees for Shade have purposely been selected near and some fronting on Gladstone Park.

The citizens of Oregon City will only be permitted to purchase 50 of these Lots; outside parties in Clackamas County 50, and purchasers outside of the County 100. Not more than two Lots will be sold to the same party and single Corner Lots will not be sold.

Applications by mail will be received and in every case the very best unsold Lots will be selected. The final payments can be arranged before the end of the 30 Days.

Mayor Straight, of Oregon City, Says:

"GLADSTONE can't be beat for a suburb residence location. I consider Gladstone property a good investment. The location is extremely healthy and easy of access."

Rev. Gilman Parker, Pastor of the First Baptist Church of Oregon City, Says:

"After 18 months' residence in GLADSTONE I am thoroughly convinced of its desirableness as a place for a home. Its many points of excellence make it highly preferable to any place between Oregon City and Portland. It has natural fitness, with its contour of hills; its magnificent park; its crystal river; its healthfulness; its good water and fresh air; its freedom from city noise; its electric cars and cheap fare, which are all points of very great advantage and pleasure."

But why multiply words? Every school boy in Clackamas County and in Portland knows all about GLADSTONE, and Tens of Thousands of people have visited it during the last two years and have been Charmed with the Beauty of the Situation.

Nothing need be said of Oregon City, with its Wonderful Manufacturing Establishments and thousands of operatives. Millions of money have been poured into the development of the Great Water Power and Millions More are coming; Real Estate is therefor better than the Bank of England Notes or Government Bonds.

I MAKE IN INAUGURATING THIS GRAND ADVERTISING SALE, TWO GUARANTEES:

1st. THAT EVERYTHING SHALL BE ON THE DEAD SQUARE.

2nd. THAT IF YOU ARE NOT SATISFIED IN 30 DAYS AFTER THE SALE, OR UPON FIRST EXAMINATION OF LOTS, IF PURCHASED FROM ABROAD, YOUR MONEY WILL BE REFUNDED.
