

**EVENTS OF THE WEEK.**

**FREE LECTURE ON CHINA.**—A mass missionary meeting will be held under the auspices of the Oregon City Christian Endeavor Union at the Congregational church, on Wednesday evening, October 31st. It will be addressed by Rev. Arthur Smith, for 20 years in China, now temporarily in America. He speaks in Portland twice next Sunday and on Monday and Tuesday evenings, and here Wednesday evening only. He is a speaker who awakens rare enthusiasm wherever he goes and none who want a treat should fail to hear him. No admission fee will be charged or any subscriptions asked for. It is merely an instructive talk on China and the Chinese. J. W. Cowan and H. E. Ferrin say: "We have heard Rev. Arthur Smith four or five times recently, and each time growing astonishment at the inexhaustible fund of interesting information, keen practical philosophy, and irresistible wit, from which he seemed to draw." "I have heard many talented missionaries, but never one who more entirely captivated all hearers. All who love to hear think or to laugh should be sure to hear him."

**DEMOCRATIC ECONOMY.**—It was current talk before the June election that the constable and justice of Oregon City precinct had jointly an annual income of eight thousand dollars. Whether it is so or not the inquisitive may perhaps learn by consulting county records. Now for several reasons these fees are much smaller, one of them being that L. L. Porter, the prosecuting attorney and Justice Dixon, turn off all cases or charges presented to them—sometimes one a day—such as the would be plaintiff presents a fairly good cause for action. Sometimes men turn away from them in wrath because, as they think, they cannot get justice. In this manner Justice Dixon and Attorney Porter do considerable work for nothing but thereby save the county large expense bills. Honor to whom honor is due. By thus cutting down their own income they necessarily in proportion curtail that of the constable. The county court also made an order, which is commendable, that cases from the county should be tried in their own district, thereby saving several thousand dollars to the taxpayer.

**GOING TO SPOKANE.**—Rev. G. W. Giboney on Sunday resigned as pastor of the Presbyterian church here to accept a call from Spokane. The sentiment of the people and his work here is voiced by the Oregonian as follows: "There is some interest among local Presbyterians in the invitation extended to Rev. G. W. Giboney, of Oregon City, by the First Presbyterian church at Spokane. Mr. Giboney came to Oregon from the seminary. He first served the church at Lebanon. Thence he was called to Oregon City, where he has been for five years. The church was a weak body, dependent upon the board of home missions for aid in supporting its pastor when he entered its pulpit. It has become self-supporting, and during the past season has enlarged the house of worship, about doubling its seating capacity. Now he is called to the most prominent church in Washington east of the Cascade mountains. If he accepts, his departure will be a serious loss to the Presbyterian church in this state."

**THE GRAND ARMY.**—A meeting was held Sunday afternoon at 2:30 o'clock at G. A. B. hall, Portland, for the purpose of effecting a permanent organization in the interests of the further advancement of the fraternal feeling between the G. A. B., Ladies' Relief Corps and Sons of Veterans in the counties of Multnomah and Clackamas. There are about 30 societies altogether, and it is the intention of holding district encampments of a few days' session, once or twice a year. Representatives from Portland, Oregon City, Sunnyside and Mount Tabor were present at the meeting, and a temporary committee was appointed, consisting of J. Herman, E. M. Sargent and Major Cicero Newell. Another meeting will be held in about 10 days, when the committee appointed will make their report on plans of organization. At the next meeting a permanent organization will be effected by the adoption of a constitution and by-laws and the election of officers.

**PORTLAND WA-WA.**—Winona tribe of Portland has issued invitations for a smoke talk to take place next Monday evening. Representative of Piute and Comux tribes of Vancouver and Washeno of this place will be present. The committee on entertainment has been busy preparing to receive the guests, and a programme has been prepared. It will consist of an overture by Everest's orchestra; address of welcome; song, W. A. Coffey; Winona's squirrel band; banjo duet, Messrs. Turnbull and Frickery; ghost dance, Lute Anderson; music, Mr. Arnold, "Winona March"; recitation, W. A. Coffey; song, Star quartet; contortionist, M. D. George; song, Joseph Jones; music, Everest's orchestra. The programme will be followed by a grand feed. This will consist of squirrel soup and salad berries, Dakota grasshoppers and Indian corn.

**CIRCUIT COURT ACTIONS.**—Actions filed during the week: Malcolm P. Bradley vs Clackamas Co; M. P. Bradley vs W. F. Burkholder; Mrs. Emma McDonald vs Sarah McCown; Portland Trust Co vs Eliza J. Cason; do vs Robert B. Beattie; do vs F. F. White; do vs Cassoline D. Myers and R. B. Beattie; do vs Ward M. Atkinson; do vs Henry Hathaway and R. B. Beattie; S. G. Ger vs J. W. Graham; Portland Trust Co vs N. B. Atkinson et al; Th. Dahl vs J. C. Hungerford; John Renke vs M. J. Broderick and wife; Honore Davoren vs Agnes Cruickshank.

**CREAMERY AT BARLOW.**—Brown & Hamilton of San Francisco will build a co-operative creamery at Barlow. They will retain the privilege of selecting their own foreman to conduct the creamery, as intelligent supervision by one having technical knowledge of the business is most essential to success. The firm has established creameries at various points in California and this one it may follow with others in the Willamette valley. William Barlow takes \$1000 worth of stock.

**CHILDREN'S MATINEE** on Saturday, October 27th, at Shively's opera house. Each and every child receives a present worth from 10 cents to \$5, and also a copy on a Rumber bicycle. If this is not as advertised they will refund the money cheerfully. The best performance ever given in the city. 100 laughs in 100 minutes guaranteed. Best comedians that money can secure. Some of the acts are: Mrs. Gillip's son Johnny; Stillwells in their passing flying act; Walter Pearly, the black face comedian, in songs and funny sayings; the Allen sisters in their wonderful serpentine dance; Maroco Bros., contortionists and tumblers; Del Maosot, the human salamander, eating balls of fire.

**SIDNEY DELL'S SCHEME.**—Sidney Smyth of Oregon City and A. B. Little of Houston, surveyors, ran a preliminary line from St. Helens to Vernonia last week for the purpose of determining the best route for the proposed new railroad to Nahalem. The surveyors followed up Milton creek to the divide and then descended to the Nehalem river, following Oak Ranch creek from its mouth up to Vernonia. The gentlemen say they found an easy grade all the way without any material difficulty. The next thing to be done is to secure means with which to build the road, and we are informed that task will be undertaken soon.

**A NEW LAW FIRM.**—O'Neil, Hodges & Thompson is the name of the law firm which has established itself in quarters in the Bank of Oregon City block. Mark O'Neil is an Ohio man, where he practiced for several years, and comes highly recommended. Joseph E. Hodges, a native of Canemah, is well known here, having but recently returned from Yale college and opened an office in Portland, where he was associated with Reginald W. Thompson, another young man of promise and a member of the firm. The firm has an office in Portland, but Mr. Hodges expects to be here about four days out of the week. Success to them.

**THE CHICKENS MADE UP.**—J. R. Kinyon of Butteville has 50 acres of land planted in hops, and has raised the beer-producing blossoms for the past seven years. This last season he reports a failure in growing hops, but he says he will try it again. However, there is always some good with the bad; and Mr. Kinyon consoles himself with the fact that he has a four-legged Plymouth Rock chicken for sale to anyone wanting a freak, and 400 bushels of the finest white dent corn, grown on his place, which he proposes to convert into the best bacon and hams ever offered in the Oregon market.

**WIZARD OIL CONCERNS.**—Hamlin's Wizard Oil Company opens a week's engagement in Pope's hall on Monday night, October 29th, and will remain all the week, giving a change of program each night. This company has a world-wide reputation for their popular concerts, and ought to draw large houses here, as most of our readers have seen or heard of them before. Their admission fee is small but they give a first-class entertainment in every respect. Don't fail to see their little man, only 40 inches high. Admission only 15 cents.

**HALLOWEEN.**—Hallowe'en or Hallowe'en, the name popularly given to the eve or night of All Hallow's, or festival of All Saints, which being the 1st of November. Halloween is the evening of the 31st of October. In England it was long customary to crack nuts, drink for apples in a tub of water and perform other harmless revellers, and in Scotland the grotesque grotesque took a more of a superstitious character, taking among the forms to discover who their should be his or her partner for life.

**ARREST OF DR. WALLINS.**—Last week Dr. Wallins was arrested on the charge of practicing dentistry without a license from the state board of dentistry. He had a preliminary examination and in default of bail was put in jail. Wallins was indicted by the grand jury for the same offense. It is the object of the board to make a test case of this in order to ascertain whether the law regulating the practice of dentistry is proof against the keen shafts of lawyers' logic and wit.

**THE MILWAUKIE BEAR.**—The large black bear which has been prowling about Milwaukie and striking terror to the heart of many a timid grazer in that vicinity during the past month, has at last been captured. Hunting parties have been after the animal for over a week, but brain eluded their snares until 2 o'clock Saturday afternoon when he was corralled and killed on Lambert's farm. It required nine shots to dispatch him. The bear tipped the scales at 170 pounds dressed.

**GIBONEY'S SUCCESSOR.**—At a meeting of the congregation of the Presbyterian church Wednesday evening it was voted to call Rev. Andrew J. Montgomery, of Fullerton, Neb., to the pastorate, to be accepted by Rev. G. W. Giboney. Mr. Giboney has been especially requested by the church to remain to dedicate the new edifice, which is one of the results of his labors here, a week from next Sunday. Immediately thereafter he will move to Spokane.

**MARRIAGE LICENSES.**—Licenses granted during the week: Belle N. Spurgeon and Chas. L. Roadarmel, Frida Zimmerman and Dietrich Bartels, Mary E. Alexander and Abner Porter, Margaret Van Fleet and Helmut W. Gogger, Alameda B. Greenwall and J. Q. Renfro, Rosa Callahan and Frederic Schaffer, Bertha Albright and Mathew O'Dell.

**SPENCER'S SUICIDE.**—Ross L. Spencer, constable for this district, committed suicide Monday by shooting himself through the head. Spencer borrowed a revolver from the sheriff and went to Justice Dixon's office and entered a small apartment, partitioned off in one corner and used as a jury room. Soon after the load report of the revolver was heard, Dixon and Eugene Hodges hurried to the room where the shot was fired and found Spencer in a partly kneeling position, with the blood gushing from both sides of his head. Death resulted a few minutes before noon, an hour and a half after the shot was fired. A letter was found in one of his pockets, which showed that the suicide had been contemplated for some time, that was addressed to his wife, Mrs. Bell Spencer, and was as follows: "When you receive this letter I will be no more. God knows, Bell, that it is hard for me to write this letter to you, but something seems to impel me to do this. I believe I am going crazy, for my brain seems to be on fire. All the world seems dark and gloomy. This feeling has been gaining control of me for the last two months. You know that I have told you that my kidneys were affected and I think I have softening of the brain coming on. I have lost all my energy and I seem to be completely broken down and have wished I was dead a thousand times. But when a person wants to die he cannot do it. I— Many persons had noted that Mr. Spencer had changed much of late. He was naturally an active, impulsive man. He was elected constable last June on the populist ticket. Mr. Spencer was born in Illinois on September 9th, 1864. He came to Clackamas county about 24 years ago, and has since lived in this vicinity. He left a widow and six children—two daughters and four sons—in moderate circumstances. The funeral, under the auspices of the Ancient Order of United Workmen, of which the deceased was a charter member, was largely attended. An honest man has gone to his long home."

**A NEW RIVER BOAT.**—Geo. S. Skinner of Independence has taken his new steamboat, "Alice A," up the river. This is a light-draft boat constructed especially for the summer traffic on the Willamette river. It has a width of 10 feet and is 33 feet long. The engine is an eight-horse power with compound cylinder. Mr. Skinner expects to run the "Alice A" between Independence and Salem, but may conclude to visit other points along the river.

**OREGON BACON SCARCITY.**—Pestilence must have decimated porcine ranks in Oregon. A householder in this city sent to Gervais last week for some bacon, hoping to receive in return the coveted Oregon side-meat. The Gervais merchant wrote there wasn't a bit of bacon to be had. A prominent farmer of this county was in a store here a few days ago buying bacon. Isn't it high time to turn over a new leaf?

**OREGON CITY.**—There has never been in this city a better line of shoes than the ladies' fine kid at \$1.35; best kid, \$3; course shoes, 90c; best grain, \$1.35; men's good kip, \$1.35; best grain, \$1.50; baby's kid, 25c and 30c; best school shoe for price—41 to 41.35.—EASTERN SHOE STORE.

**ABOUT PRESCRIPTIONS.**  
The best of medicines are those good for sick folks. It is bad enough to be sick without running chances with second-grade drugs. That's the reason we buy only the very highest quality of everything. It's the great satisfaction we get to know that every prescription we send out is just as good as good drugs will make it. No matter what you paid for it you couldn't get it any better.

**A MODEL SHOE.**  
You begin to find out what sort of a shoe you have bought when you've worn it a little while. The test of a shoe is the wear it will stand. We call our \$2.50 shoe a model. It is a handsome looking shoe but that is by no means all that can be said about it. It is not only handsome looking but it keeps its good looks. If you've ever seen anything cheaper in footwear you've had an experience that we've never enjoyed—the big in quality and the little in price have never been more happily combined. This same happy combination is also found in our \$2.50 shoe.
