A BAPPY EVENT .- On Wednesday evening of this week a very pleasact wed ling took place at the home of Mr and Mrs. E. D. Barton, Eighth and Madison streets. Rinearson Columbia river. was met at the depot by a large crowd. who congratulated him on his stand at Salem. Thirty minutes later Senator Brownell stepped off the local train and there wasn't a soul to meet or congratulate him. Why's this? Mr. Rinearson represented his constitutents at Salem and Mr. Brownell did not. In the evening a rousing meeting was held in the Portland fire. Another lot was at the Armory at which Mr. Rinearson spoke, amid cheers and applause of his listeners. The Park Place band arrived as Wm. Partlow was addressing the meeting, exposing some of the tactics of the Dolph men, after which the band played several tunes in honor of Mr. Rinearson, who lives in the same precinct. In his speech Mr. Rinearson referred to a petition with 40 names received by a Dolphite from this county commending the Dolphite's actions, while he received a petition containing Fisher. 300 names commending his action.

THE LYCKUM. - The Ben Franklin Lyceum is still progressing. The last meeting was a very enthusiastic one. The auditorium was crowded to its full Warner capacity and the debaters deserve great credit for their interesting speeches. The question for discussion was "Resolved, That poverty produces more crime than wealth?" The affirmative was led by C. Barney and the negative by W. Logus, whose speech was full of interesting and humorous statements. Willie has gained the art of speech with tremenduous rapidity and the eloquent and fascinating voice which he displayed at our last meeting will long be remembered by the listeners. The next meeting will be held at the Congregational church on February 1st. All are welcome to attend these meet-
