In Baking Powders "Royal" Leads.

As the result of my tests, I find the ROYAL BAKING POWDER superior to all the others in every respect. It is entirely free from all adulteration and unwholesome impurity, and in baking it gives off a greater volume of leavening gas than any other powder. It is therefore not only the purest, but also the strongest powder with which I am acquainted.

Will rise again in the bosom of a dyspeptic wise enough to substitute for the pseudo-tonics, which have bamboorled him out of his belief in the possibility of cure, the real invigorant and atomachie. Hostetter's Stomach il iters. The bilious, the mercous, the dyspeptic, the rheumatic alike derive speedy benefit from this helpful totanic medicine. Persons suffering from indigestion will gain no positive permanent good from the ferry, unmedicated atimulants of commerce, too often used recklessly. The Bitters is immeasurably to be preferred to these as a tonic, since its pure basis is modified by the conjunction with fit of vegetable ingredients of the highest remedial excellence. Maiaria is prevented and remediad by it, and it infuses vigor into the weak and sicaly. A wine glassful three times a day is the average dose.

THE ONWARD MARCH of Consumption is stopped short by Dr. Pierce's Golden Med-ical Discovery. If you haven't waited beyond reason, there's complete re-

there's compete recovery and cure.

Although by many believed to be incurable, there is the evidence of hundreds of living witnesses to the fact that, in all its earlier stages, consumption is a curable disease. Not every case, but a large percentage of cases, and we believe, fully 98 per cent. are cured by Dr. Pierce's Golden Medical Discovery, even after the disease has progressed so far as to induce repeated bleedings from the lungs, severe lingering cough with copious expectoration (including tubercular matter), great loss of flesh and extreme emaciation and weakness.

Do you doubt that hundreds of such cases reported to us as cured by "Golden Medical Discovery" were genuine cases of that dread and fatal disease? You need not take our word for it. They have, in nearly every instance hears as promounced by the best

our word for it. They have, in nearly every instance, been so pronounced by the best and most experienced home physicians, who have no interest whatever in misrepresenting them, and who were often strongly prejudiced and advised against representing the strongly prejudiced and advised against a trial of "Golden Medical Discovery," but who have been forced to confess that it surpasses, in curative power over this fatal malady, all other medicines with which they are acquainted. Nasty codfatal malady, all other medicines with which they are acquainted. Nasty cod-liver oil and its filthy "emulsions" and mixtures, had been tried in nearly all these cases and had either utterly failed to benefit, or had only seemed to benefit a little for a short time. Extract of malt, whiskey, and various preparations of the hypophosphites had also been faithfully tried in vain. The photographs of a large number of those cured of consumption, bronchitis, lingering coughs, asthma, chronic nasal catarrh and kindred maladies, have been skillfully reproduced in a book of 160 pages which will be mailed to you, on receipt of address and six cents in stamps. You can then write those cured and learn their experience. AddressWorld's DISPENSARY MEDICAL ASSOCIATION, Buffalo, N. Y.
