## LUXURY...

It is to recline at ease on one of our  
superb couches. Slumber comes unthought  
under such delightful conditions. Pieces  
of furniture like these are as pleasant to  
look on as they are to sit on, and they  
make them a irresistible temptation  
to repose. Our entire stock is packed full  
of temptations for that matter, tempta-  
tions in parlor and bedroom suites and  
every kind of furniture, and unprece-  
dented quotations in prices. Some people  
are always quoting from somebody,  
so brassy a device. Mr. Jones had one  
like these: Single lounges, \$4 and up-  
wards; Bed lounges, \$6 and upwards;  
Couches, \$6 and upwards. Every article  
in our store at such low prices.

IS A NOVEL DEFENSE.

Plia of a "Gold" Brick Man in  
the Supreme Court.

SEATTLE, Wash., February 18.—The  
attorney for the defense in the case of  
the State vs. W. H. Knowlton, the "gold  
brick swindler," has set up a somewhat  
novel defense before the supreme court.  
Knowlton is under sentence for swindling  
Banker Wooding, of Aberdeen, out of  
several thousand dollars by means of a  
"gold" brick. Mr. Jones had one of  
Knowlton's "gold" bricks with him, which  
he showed the supreme judges, and asked  
if a man was not indeed foolish who  
allowed himself to be rebuffed by a  
piece of gold. Mr. Jones held that  
Knowlton was guilty morally, but that  
he was not guilty legally, because a man  
must use ordinary precaution in order  
to protect himself, and if he does not  
the law is not bound to protect him.  
Therefore, Knowlton, in trading off his  
"gold" brick for Banker Wooding's gold  
dollars, had committed no crime, and  
which the court could take cognizance  
and that the prisoner should be dis-  
charged.

## WORKING FOR A SITE.

Tacoma Will Try to Locate the Army  
Post Near That City.

TACOMA, February 18.—Tacoma is  
working to secure a site of 1,000 acres  
of land to be offered to the government  
commission of five military officers,  
which is to locate an army post on Puget  
Sound this year. The chamber of  
commerce has appointed a committee  
of leading citizens, which has opened  
headquarters and is doing energetic  
work. The site will be on the gravel  
prairie, south of the city, where the  
state militia encampments have always  
been held, and which has been pro-  
posed by General Bradley of the  
United States Army, retired, and other  
army officers, to constitute an ideal site,  
combining a hard bottom, with pro-  
tection by groves of pine trees, and an  
abundance of fuel and pure water. The  
chief point to be urged is the transpor-  
tation facilities available here, where  
the troops were concentrated during last  
year's strike, and the city's strategic lo-  
cation at the head of navigation on Puget  
Sound.

## The Princess Paulina Dead.

NEW YORK, February 18.—Princess  
Paulina, who arrived in New York Decem-  
ber 22 last, and who has since that  
time been the object of great interest to  
thousands, died in this city today.  
Princess Paulina was born in Holland in  
1876, and during the past nine years has  
been seen and fondled by nearly all the  
kings and queens of Europe. She was  
brought to this country under a two  
years' contract by Manager F. P. Proctor.  
The princess was exactly 17 inches  
high and weighed but 8 1/2 pounds. Two  
weeks before her arrival she had an at-  
tack of the grip, and was laid up for  
a few days. She soon recovered, and Jan-  
uary 20 gave a special reception, attend-  
ed by nearly a hundred well-known  
physicians and surgeons. She was taken  
ill a week ago, and was pronounced to  
be suffering from bronchitis, but it was  
not until Thursday that her life was de-  
spaired of. The remains will be taken  
to Holland for burial.

## IT IS NO CONTEMPT TO SUE

Government Employees May Be Gar-  
nished, but the Payment of the Judgment  
Cannot Be Enforced, Nor Can  
Property Be Attached.

ST. LOUIS, February 18.—United  
States Circuit Judge Henry C. Caldwell  
has recently been asked many questions  
as to the attitude of the court in the  
matter of garnishment suits against re-  
ceivers of the Atchison & Topeka and  
the St. Louis & San Francisco roads to  
secure payment of debts owed by em-  
ployees. To-day he placed on file in the  
clerk's office a letter, which is intended  
to be an answer to cover all such ques-  
tions. The letter is as follows:  
"You will not be in contempt of my  
order over which I preside by suing out  
a writ of garnishment to garnish the  
wages of an employe of the receivers of  
the Atchison, Topeka & Santa Fe Rail-  
way Company; but if you get judgment  
against the receivers, you cannot levy  
upon the property in their possession as  
receivers or otherwise compel them to  
pay it by any process issued from the  
court rendering the garnishment judgment.  
The receivers and the men employed by  
them, and employes of every depart-  
ment of the government, jurors and wit-  
nesses, and all other persons, are employ-  
ees of a court including its receivers and  
its employes are entitled by law to have  
their salaries, fees and wages paid to  
them personally or to such agent as they  
employ. By an order of the court the  
receivers and the men employed by them  
nor any of its departments including the  
judiciary can be garnished for salaries,  
wages or fees of its officers, agents or  
employes. By an order of the court this  
rule is applied to the employes of the  
court from the service of its receivers,  
and I must decline to vary it to meet  
your case."  
"The court will not pay the wages of an  
employe to anyone but the employe  
himself, nor will it sentence him to dis-  
missal from the service as you suggest,  
and recommend, because he does not  
pay his debts. The court has not author-  
ity to punish men for not paying their  
debts."

## CRUSHED IN THE MUD.

Shocking Death of Fred Wells Near  
Ashland.

ASHLAND, Or., February 18.—Fred  
Wells, the 13-year-old son of James  
Wells, living three miles north of Ash-  
land, was killed in an unusual and  
shocking manner last evening. Early  
in the afternoon he left his farm home  
on horseback to herd his father's sheep  
of a neighbor's pasture, as he had been  
in the habit of doing. Not returning at  
the usual time of doing, his father and  
his mother, brother and sister, and the  
neighbor's boy started out after supper in  
the evening to look for him. On about two  
miles from home they found his horse's  
trail and with a lantern followed it to  
where it crossed a gulch, the neighing of  
the boy's horse being heard in the mean-  
time. The animal was found fast in the  
mud and half dead. Directly under the  
body of the poor boy, his body lying  
in the habit of doing. Not returning at
