

LOCAL EVENTS.

DEATH OF M. A. STRATTON.—Milton A. Stratton, president of the East Portland National bank, met with sudden death Sunday afternoon at his residence at 82 East Tenth street. Shortly after 2 o'clock, while engaged in adjusting a bicycle for his younger son, he suddenly fell forward on the floor, a victim of apoplexy. Mr. Stratton was a native of Indiana and 56 years of age. He came to Oregon in 1853 and was a son of Mr. and Mrs. C. P. Stratton of the family yet living are Hon. Julius A. Stratton, and Mrs. Augusta Whitmore of Seattle, Mrs. P. L. Willis and Rev. C. C. Stratton of Portland, Mrs. D. C. Patton of Eastern Washington and H. S. Stratton, who is in Alaska. Chief Justice Riley Stratton, of the Oregon supreme court in early days, now deceased, was his brother. In his early youth M. A. Stratton acquired a thorough education and for a number of years was employed as clerk for John Wilson. Afterward he was secretary of the Oregon woolen mills at Oregon City, which position he held until 1892, when he became connected with the East Portland National bank. In all his business life Mr. Stratton preserved an unbroken record for integrity and fidelity to every trust he was called upon to fill. His wife was formerly Helen Williams, a daughter of Elijah Williams, one of the pioneers, now deceased, and sister of Major George Williams of Salem and Richard and Emmett Williams, attorneys of Portland.

ANOTHER WORKMAN LODGE.—Electric Lodge No. 65 of the A. O. U. W. was organized on last Friday evening at Canemah by Grand Master Workman Brannin with 21 charter members. The following officers were elected for the ensuing year: P. M. W. Rudolph Koerner; M. W. Thos. F. Ryan; foreman, R. E. Staub; overseer, J. C. Bradley; recorder, A. W. Cheney; financier, W. M. Robinson; receiver, D. W. Kinnaird; guide, C. E. Burns; I. W. John Nieber; O. W. Samuel Faust; trustees, C. E. Burns for three years, F. Betzel for two and R. Koerner for one. The other charter members are: J. A. Sandahl, J. McGrath, Max Bollaek, John Widie, Arthur Dente, L. Ruonich, Peter Raber, Jacob Josi, Matthew O'Dell, Caspar Druesch. The charter will be kept open till April 1st to allow all persons who wish to become charter members at a reduced rate to do so. After next meeting the lodge will probably meet in the A. O. U. W. hall on the hill.

FAREWELL SERVICE.—The Statesman says: "At the First Baptist church in this city Sunday the farewell services of Rev. M. L. Rogg as pastor took place, that gentleman having accepted the pastorate of the church at Oregon City. The congregation both morning and evening was large, everyone extending well-wishes to the reverend gentleman in his new field of labor. At the church Tuesday evening a reception was tendered him and his wife, to which the members, congregation and friends were invited. A short programme was rendered. Rev. Rogg has been pastor of the Salem church since October, 1893, coming here from Seattle in response to a second call." Rev. Rogg arrived here on Wednesday and will preach at the Baptist church on Sunday.

ORION MAPLE SUGAR.—It has been generally accepted as a fact that maple syrup could not be produced in this valley. The Eugene Guard declares otherwise: The Willamette valley will be known in years to come as a maple sugar country, if all reports are true. In a recent issue mention was made of a Harrisburg man tapping trees with good results. Now we are informed that a Eugene man has tapped a tree and received over a gallon of sap. No country can beat ours on variety of products. Tapping trees for sap has been tried at various times here with various phases of luck, but probably more care will attend it.

THE SYMPOSIUM.—The following characters will be represented at the Longfellow symposium on Friday evening at the Congregational church: Hiawatha, Chas. Case; Minnehaha, Weltha Morse, Arvo Maker, John Gibson; Evangeline, Laura Lane; Gabriel, Samuel Gibson; Priest, Daniel Tompkins; Miles Standish, Edward Barratt; John Alden, H. O. Cheney; Priscilla, Lella Cheney; Spanish student, Arthur Russell; Gipsy Girl, Ross Hornsbiuh; Excelsior, George Heath; Among those who will assist are Mrs. Alma Mundhenke, Mrs. E. E. Charman, Gertrude Humphrey, Inez Riggs, Minnie Lane, May Marks, Grace Whitlock, Laurence Briggs, Leighton Kelly, Bessie Evans, and Schubert Quartette of Pacific University. The sword worn in the symposium was used in the battle of Waterloo.

BEYOND THE SEA.—The intention of the Canemah Dramatic Company to reproduce the play, "Beyond the Sea," next Saturday is one that will please many who were unable to witness the performance of last Saturday night. This is done because some were unable to be present before asked that it be repeated, and many since then have urged the company to play again. We feel that a large audience will be present to welcome the return of the players. The tickets will be as before 25 and 35 cents, reserved seats at Huntley's. There will be some new features, including singing. School children under the age of 14 years will be admitted on payment of only 10c. This is done that children of the schools may all see the play at merely nominal cost. The doors will open at 7 o'clock and the curtain rises at 8:15.

A FIRE.—The Casino saloon of Albert Schilling was discovered on fire at 1 o'clock a. m. on Monday and but for the prompt response of the firemen the adjoining structures would have been burned also. The entire building was gutted in a very short time. The loss to A. Schilling for stock and fixtures is \$2000 with \$1500 insurance. J. Schram carried \$400 insurance on the building which will cover the loss. It is supposed that the fire started from coals from the stove. The building will be rebuilt and Mr. Schilling will put in another stock at once. Taking in consideration the time of night it shows that our firemen are always on the alert and ready to "get out" in case of fire. Hurrah, for the boys!

G. A. R. ENCAMPMENT.—The official board of the G. A. R. of Oregon met here on Monday and among the business transacted was that of changing the time of holding the next state encampment. This will be at Oregon City on the 17th and 18th of next June instead of May 8th and 9th. It is expected that the commander-in-chief of the national G. A. R., General Lawler of Rockford, Illinois, will be present and lend interest to the meeting. Captain S. B. Ormsby, department commander of Marion county, Assistant Adjutant General W. N. Morse of Portland, comrades Eugene Clark and H. Callen of Portland and Geo. A. Harding of this city were present. Captain Ormsby gave an interesting talk on the state soldier's home.

PROBABLY A NEW REFRIGERATOR.—H. M. Mason, president of the Oregon City Tra sportation company, to which the Altona belongs, a wealthy gentleman of Portland, came up on the Altona Wednesday, this being his first trip up the Willamette. The object of his visit was to investigate the advantages of building a new steamer, a little larger than the Altona, steel hull, much greater steam power, to run about twenty miles an hour, light draft, and elegantly furnished inside, and Captain Graham says it will be of such light draft that he will make contracts with the merchants to bring freight and passengers every day in the year.

Gene, But Not Forgotten. In memory of little Annie Garvin, who died last Friday. She is gone: Her spirit has flown to the haven of rest. Her feet have touched the golden strand. She is with the angels and the lost. On earth her life was pure and sweet, in heaven 'tis the same. We called her Annie, but she was Gene. But there she has a better name. She was plucked from earth when only a tad. In heaven she wears the same. Her life has escaped the storms of earth, she is landed safe on the shores of gold. The Lord, he doeth all things well, for a purpose she is gone above. If we serve and trust Him here below, We'll meet again the one we love.

SENIOR SCHOOL CONVENTION.—The fifth annual convention of the Clackamas county Sunday schools was held at Clackamas on Thursday and Friday of last week. Twenty-two schools were represented in the convention by 57 delegates, and there were accounts of 55 Sunday schools in the county, as against 27 known at last year's convention. The officers chosen for the ensuing year are: President, C. Holberg of Oregon City; vice-president, Mrs. E. C. Eastman, of New Era; secretary, B. M. Fisch, of Milwaukie; treasurer, Mrs. J. K. Groom, of Oregon City. Thursday evening was chiefly occupied by an address by J. K. Groom on duties of Sunday school superintendents. Friday morning Mrs. Groom read a paper on the local Sunday school army. Dr. Cowan, discussed the question, "Is the International Lesson System the Best?" Mr. Gary, of Milwaukie, spoke about the use of maps, and G. W. Swope of Oregon City, about the library and its use. Rev. Thomas Boyd, president of the Multnomah association, greeted the convention with an encouraging address. Resolutions thanking the Clackamas people for their hospitality were adopted, and the last Sunday in November was suggested to be observed as a special temperance day. The address of Friday evening was delivered by the Rev. C. Holbridge, of Portland.

CALIFORNIA FAILURE.—The Oregon City Sash & Door Co. of S. B. and Chas. Calif made a deed of assignment on Tuesday to C. O. I. Williams. The liabilities are about \$10,000, besides considerable accrued interest. The real estate is mortgaged for \$1500 and the machinery for \$500. Portland creditors hold claims amounting to \$7500. The company owed but \$200 for labor. This company began business about five years ago, and suffered loss first from the flood of 1893 and later from fire. It enlarged its plant and moved into a new mill about two years ago. The factory has done but little work this winter. The trouble was caused by the filing of a chattel mortgage in favor of F. Born last week.

A RICH ASSAY.—S. C. Smith of B. B. River has received a letter from Geo. A. Dyson, of Brownsville, who is interested in the Blue River mines, giving the returns from an assay of ore taken from the McCauley mine in that district. The letter states that the assay showed \$162.50 of gold and 2 ounces of silver to the ton. Mr. Smith states that a number of parties interested in mines have written him regarding the prospects for beginning work there, and he looks for a lively time there this season. Parties at Brownsville and Oregon City will commence work as soon as the snow disappears sufficiently. —Register.

ACCIDENT TO ALTONA.—The Altona broke her shaft on the way down the river two miles above Batsville and knocked out a pillar block Friday. She dropped anchor and warped down the river to Batsville, where she was tied up. Capt. Frank Graham took a horse, rick and a team and took the train for Portland. He ordered the Ramona, the Altona's sister boat to come up and tow the crippled craft to Oregon City. The captain then chartered the Joseph Kellogg to come on Altona's run.

ANOTHER PIONEER.—Alexander Spong, a resident of Marion county for 40 years, died at his farm home north of Salem last Wednesday evening. He was 77 years old. He came to Oregon in 1851, locating at Oregon City for a short time; thence moving to Lafayette, Yamhill county, where he lived for two years, and then came to Marion county. He was proprietor of Spong's ferry, connecting Marion and Polk counties at Lincoln. One of his sons is Captain A. J. Spong, master of the steamer Ramona.

OUR NEW CHARTER.—The new city charter passed the senate and house on Saturday at the eleventh hour. Thos. F. Ryan, who was at Salem in charge, went to the enrolling clerk at 10 p. m. and asked to have the charter enrolled but the clerk said he had no time, so Mr. Ryan hired eight clerks and had the bill enrolled and signed by the president of the senate, speaker of house and enrolling clerk at 11:57, three minutes before adjournment.

BIRTHDAY PARTY.—About twenty-five of the young friends of Miss Georgia Marrs gave her a very pleasant surprise by gathering on Friday evening at the home of her parents. The occasion was a reminder to her that it was her birthday. The evening was spent very pleasantly in various games and at 11 o'clock the party dispersed to their respective homes wishing for their hostess many happy returns of the day.

GOATS VS. DOG.—Quite a crowd collected in Aurora Monday to witness the lawsuit of Irwin vs. Miller. Nearly half the day was consumed in getting a jury. Attorney H. E. Cross appeared plaintiff and Mr. Bingham, of Salem, for defendant. The jury's verdict was that defendant pay plaintiff \$18 and all costs. The suit grew out of Miller's dog killing some goats belonging to Mr. Irwin.

FOR STEALING CHICKENS.—Henry Haloway was on Thursday bound over by Justice E. Dixon under \$200 bonds to appear before the grand jury for stealing chickens of W. A. Starkweather, who resides near Milwaukie. He claims he lives in Portland. There are seven persons whose chicken roasts have been distributed in that community but this is the first arrest.

Steeves, a lawyer, is to be sent to the penitentiary for fifteen years for murder." It is so rarely the case that a lawyer gets justice that it is pleasing to see Mr. Steeves facing the music. "The Sunday Welcome says: "Not quite so fast. Mr. Steeves is not in the penitentiary yet and probably never will be."

The Woman's Era.

Within Her Sphere She Reigns Supreme.

Woman claims her own. Her field widens constantly. Every day brightens her prospects. Her progress shadows the greater triumph at hand. Emancipation and equality will be hers in the years to come. Prophetic of final victory were her achievements at the World's Fair. At her shrine there erected the nations bowed. The lesson taught at the "Woman's Building" will last till time shall be no more. Their enlightening influence will be felt around the globe throughout the dawning century. Only less memorable were the honors gained at the Fair by

Dr. Price's Cream Baking Powder

The highest award conferred on this peerless preparation, is a fitting accompaniment of the laurels won by the women of America.
