Dear Sirs—I have been a tobacco fiend for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physician told me I must keep up the use of tobacco for the time being, at least. I tried the so-calited "Keeley-Cure," "No-To-Bac," and various other remedies, but without success, until I accidently learned of your "Baco-Curo." Three weeks ago to-day I consider myself completely cured; I am in perfect health, and the horrible eraving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Baco-Curo" simply wonderful, and can fully recommend it.
