### 15 YEARS IN OREGON. THE OLD ST. LOUIS Medical and Surgical Dispensary,

This is the oldest Private Medical Discourse in the city of Portland, the first Medical Die pensary ever started in this city. Dr. Kessler the old reliable specialist, has been the genera manager of this institution for twelve years during which time thousands of cases have heen cured, and no poor man or woman was ovey. The St. Louis Dispensary has they sends of dollars in money and property, and is able financially to make its word good. The St. Louis Dispensivy has a staff of the

est Physicians and Surgeons in the country, I'men of experience. A complete set of Bur-ical instruments on hand. The best Ricctric paratus in the country, both French and tican. Their apparatus for analyzing the tine for kidney and bladder diseases, are per-Pet and the very latest. No difference what foctors have treated you, don't be discorraged, but go and have a talk with them. It costs you nothing for consultation, besides you will be treated kindly. Persons are calling at the St. Louis Dispensary, every day, who have been treated by some advertising quacks of this city and received no benefit. This old dispensary is conty one in the city that can give reference the only one in the crivit and bankers as to their rommercial standing. By They positively prarantee to cure any and all Private Discases very form and stage without loss of time in your work or business
