15 YEARS IN OREGON. THE OLD ST. LOUIS Medical and Surgical Dispensary.

This is the oldest Private Medical Dispensary in thecity of Portland, the first Medical Dis-pensary ever started in this city. Dr. Kessler. the old reliable speculist, has been the general manager of this institution for twelve years. during which time thousands of cases have been cured, and no poor man or woman was been carred, and no poor man or woman ever refused treatment because they had no money. The St. Louis Dispensary has thousand of dollars in money and property, and is able financially to make its word good.

The St. Louis Dispensivy has a staff of the best Physicians and Surgeons in the country. all men of experience. A complete set of Sur Apparatus in the country, both Freuch and American. Their apparatus for analyzing the urine for kidney and bladder diseases, are per-fect and the very latest. No difference what doctors have treated you, don't be discouraged, nothing for consultation, besides you will be treated kindly. Persons are calling at the St Louis Dispensary, every day, who have been treated by some advertising quacks of this city and received no benefit. This old dispensary is among the business men and bankers as to their

FOOD OF THE SAILORS.

Washington, April 30.—The official Washington, April 30.—The ometals of the navy department are nettled by the frequent severe criticisms upon the insufficiency of the naval rations which emanate from the Pacific coast ports. The secretary has no hesitancy in ascribing them to the bumboat men and the keepers of shops patronized by sailors, who have been deprived of handsome "pickings" from the sailors by the enforcement of the order limit-ing the number of rations in a mess

Waters Are Heard From.

Epinal, France, April 30.—The list of fatalities by the breaking of the great Bouzey dyke in the Epinal district of the Vosges increases every hour. One hundred and fifteen deaths have already been reported, but only fifty bodies have been recovered. It is believed the list will be in excess of these figures when all the districts have been heard from. It is supposed many of the dead were swept into isolated places, where they will be a long time before found.

The whole region over which thousands of tons of water swept in a resisting sands of tons of water swept in a resisting sands of tons of water swept in a resisting sands of tons of water swept in a resisting sands of tons of water swept in a resisting sands of tons of water swept in a resisting sands of tons of water swept in a resisting sands of tons of water swept in a resisting sands of tons of water swept in a resisting sands of tons of water swept in a resisting sands of tons of water swept in a resisting sands of tons of water swept in a resisting sands of tons of water swept in a resisting sand that may be commuted or turned into cash by the sailors and spent ushore.

The naval ration is fixed by an act of congress and it is not within the power of any may, to change it, either by increase or diminution. The naval officers assert that it is the most liberal of any furnished to the sailors of the naval powers are not as well supplied with good, wholesome food as are our sailors. The rations as fixed by the law include the following staples, all, it is spokane is said to be to city has ever known.
