

**Two of a Kind...**  
 Make a strong pair. It's as plain as day, though, that there are no pairs to our rockers. We have the chairs and the public of Oregon City find it best to come to us for seats. There's a chair for everybody in our furniture house and a superb all around display of up to date furniture, too, at prices that up to date are without a parallel in Oregon. The people enjoy sitting on us, and we don't mind it a particle. We meet the procession with chairs and are prepared to rock this town to its foundations.

**HARMONY.**

August Kannie has built a new grainery.

School began the 9th inst. and is prospering. Miss E. Sturchler and Mrs. Marshall are the teachers.

There has been quite an exodus from this community to the hop fields.

The Southern Pacific is having a lot of wood cut near the Zeller place.

Wm Rosenan has built a new chicken house.

Mrs. Sarah Jones, of LaCentre, Wash., is visiting relatives here.

Mrs. Ella Colson has returned to Seattle Seminary to resume her duties as matron of the school.

The picnic given at Milwaukie by the Harmony and Milwaukie Evangelical Sunday schools was quite a success.

Hiram Battin has bought a new span of horses.

The prune crop is unusually good this year. Apples are not doing so well.

Miss Etta Karr has returned to Portland again, to remain indefinitely.

Louis Lagrande was working for Byer and Schmidt last week, as Mr. Byer was unable to do much work on account of a fall he received some time since, but is better now.

The Misses Kannie have been visiting their sister, Mrs. C. F. Zinzer of Happy Hollow.

Rev. E. Maurer, the new Evangelical pastor, preaches the first Sunday in the month at 11 a. m. and the second and fourth Sundays at 3 p. m.

Mrs. B. F. Tyler has been quite ill but is a little better now.

A gang of men has been busy for some time clearing the drift-wood and debris from Johnson creek below the McGregg slaughter house. The work was much needed, as the stream had become so much obstructed that it over flowed its banks during the high water, to the detriment and injury of land adjoining.

Geo. Tarris has finished working for Mr. Tyler and has gone to Washington, near Ellensburg.

There will be a Wednesday evening prayer meeting held at the church ere long.

Mrs. Geo. B. Wise is quite sick at present.

We wish to congratulate the COURIER on its new form and neat appearance. We wish it success!

Visitors to the Exposition that opens in Portland October 5th will see more of interest in the exhibits than in former years. Nearly every exhibit will have something going on to interest and interest those who see it. Especially will the manufacturing exhibits have such special attractions. Machinery will be at work and mechanics will display their skill. It will be an industrial bee hive. It will be impossible in one visit to see everything contained in the huge building and enjoy the music and other entertainment offered.

**Old People.**

Old people who require medicine to regulate the bowels and kidneys will find the true remedy in Electric Bitters. This medicine does not stimulate and contains no whisky nor other intoxicant, but acts as a tonic and alternative. It acts mildly on the stomach and bowels, adding strength and giving tone to the organs, thereby aiding Nature in the performance of the functions. Electric Bitters is an excellent appetizer and aids digestion. Old People find it just exactly what they need. Price fifty cents per bottle at Charman & Co.'s Drug Store.

When people are obliged to take medicine they want that it shall give quick relief and not add discomfort to their sufferings. Three reasons why people who suffer with Constipation and Biliousness should take Simmons Liver Regulator: "It is Better than Pills, it does not gripe; it gives quick relief, and does not weaken but strengthens and refreshes the whole system."—J. R. Hiland, Monroe, Ia.

Reader, did you ever take SIMMONS LIVER REGULATOR, the "KING OF LIVER MEDICINES?" Every body needs a liver remedy. It is a sluggish or diseased liver that impairs digestion and causes constipation, when the waste that should be carried off, remains in the body and poisons the whole system. That dull, heavy feeling is due to a torpid liver. Biliousness, Headache, Malaria and Indigestion are all liver diseases. Keep the liver active by an occasional dose of Simmons Liver Regulator and you'll get rid of these troubles, and give tone to the whole system. For a laxative Simmons Liver Regulator is BETTER THAN PILLS. It does not gripe, nor weaken, but greatly refreshes and strengthens. Every package has the Red Z stamp on the wrapper. J. H.
