Roy Johnson has made a flat rack for wood hauling.

The lecture given by Rev. Mr. Pratt a couple of Sundays ago was well attended. His subject, "From the Gutter to the Pulpit," was handled in a way that ought to be a warning to the young in regard to the evils of intemperance.

This is a very dry fall for Oregon. Many of our people are hauling water from Rock Creek, and a week's rain would be a God-send to them as well as to those who have fall plowing to do and potatoes to dig.

Your correspondent has been requested to state that one of the bridges below here, at A. Clark's, is in a dangerous condition, and unless fixed or replaced with a new one somebody will get hurt.

Geo. Johnson has been busy for some time making cider. The mill is his own invention and is as good as the patent ones, as in one instance 12 bushels of apples made 50 gallons of cider.

For Over Fifty Years.

AN OLD AND WELL-TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. Is pleasant to the taste. Sold by Druggists in every part of the World. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup, and take no other kind.

There is one medicine which every family should be provided with. We refer to Chamberlain's Pain Balm. When it is kept at hand the severe pain of a burn or scald may be promptly relieved and the sore healed in much less time than when medicine has to be sent for. A sprain may be promptly treated before inflammation sets in, which in some cases requires immediate attention, before the parts become swollen, and when Chamberlain's Pain Balm is applied it will heal them without matter being formed, and without leaving a scar. A sore throat may be cured in one night. A piece of flannel dampened with this liniment and bound over the seat of pain, will cure lame back or pain in the side or chest in twenty-four hours. It is the most valuable, however, for rheumatism. Persons afflicted with this disease will be delighted with the prompt relief from pain which it affords, and it can be depended upon to effect a complete cure. For sale by G. A. Harding, Druggist.

"While down in the southwestern part of the state some time ago," says Mr. W. Chalmers, editor of the Chico (Cal.) Enterprise, "I had an attack of dysentery. Having heard of Chamberlain's Colic, Cholera and Diarrhoea Remedy I bought a bottle. A couple of doses of it completely cured me. Now I am a champion of that remedy for all stomach and bowel complaints." For sale by G. A. Harding, Druggist.

NERVOUS PROSTRATION.

E. W. JOY COMPANY—Gentlemen: I have suffered from a nervous prostration from financial losses. Can say Joy's Vegetable Sarsaparilla has cured me. My liver, stomach and bowels have been very inactive, but since taking your remedy I am entirely well. All business men and women should use it. Please publish. (Signed) MR. WM. HENRY JONES, Butte, Montana.

NERVOUS SHOCK.

E. W. JOY COMPANY—Gentlemen: This is the first time I have attempted to write for three years. Have been so nervous and weak that have laid in bed for most of the time. A friend who had taken your Sarsaparilla sent me two bottles. The second one I most enjoyed, and I have gained twenty pounds, and surely feel a new woman. I was pale—thin. No ambition. Had given up, as I had tried so many remedies and doctors but found no benefit. If you care to publish this you have my consent. (Signed) MRS. A. C. TILMAN, Alameda, Cal.
