WAR OF NATIONS.

England has two old scores to settle with Russia, the Crimean war and the war of '77-'78, in both of which she balked Russia of her prey, the European possessions of the Turk.

Waterloo rankles in the breast of French patriots, and the theft of Egypt enrages French statesmen. Victory over English arms is the hopeful desire of both Russians and Frenchmen.

Holland swept the seas with her fleets until England's admirals destroyed them, and relegated the Lowlands to position of a third-rate power. Spain was, at the meridian of her glory, the strongest and greatest empire in the world.

Water will burn! Why not, since it is composed of two gases both of which are inflammable? as proof, spray it on a hot fire. The fine particles will not injure the fire but will rather intensify it.

The Herald man evidently draws on his stock of ignorance for facts and arguments. The populist organ stated in its last issue that the outstanding warrants of Clackamas county amount to \$200,000.

The Co ralls Times sensibly remarks that there is no occasion for democrats to feel discouraged with the result of the recent elections. In the reverses suffered in eleven out of thirteen states the principles of the party itself have neither been discredited nor repudiated.

R. G. Dun, in his "Review of Business" says: "Eighty-five per cent of all the concerns that have failed in the United States during the ten years under review, are houses that attempted to do business without advertising."

BRITISH Columbia would form a desirable addition to the sisterhood of states minus the world "British." Our allies Russia and France, are preparing for the fray. Which part of Canada would England prefer to keep?

The rhinoceros has a perfect passion for wallowing in the mud, and is usually covered with a thick coat of it. Some road supervisors are evidently laboring under the impression that this county is inhabited by rhinoceroses.—Barlow Three Sisters.

The American patriot is not an Angoniac. There is no room under the stars and strips for craven Britons masquerading as Americans, and we can very well do without them. America for Americans!

No wonder times are hard. According to the assessors there are only a million and a half dollars in money in Oregon, less than \$4 per capita.—Statesman.

A SOCIAL EVENT. A breach of promise case will be argued in court early in January in Shively's opera house.

The finale of the performance, "Penelope," the Milkman's Bride, is also a very charming and favorite opera and will show that a girl with too many admirers always gets in trouble.

The said property is a part of the real estate belonging to said estate and the sale thereof is necessary to pay claims filed against said estate. Enquiries may be addressed to the undersigned at Canby, Oregon, or C. M. Dye, attorney, corner Sixth and Main streets, Oregon City, Oregon, at whose office said sale will be made.

For Over Fifty Years. AN OLD AND WELL-TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success.

The popularity of Chamberlain's Cough Remedy and the high esteem in which it is held leads us to believe it to be an article of great worth and merit. We have the pleasure of giving the experience of three prominent citizens of Redondo Beach Cal., in the use of the remedy.

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria. When she had Children, she gave them Castoria.

Did You Ever Try Electric Bitters as a remedy for your troubles? If not, get a bottle now and get relief. This medicine has been found to be peculiarly adapted to the relief and cure of all Female Complaints, exerting a wonderful direct influence in giving strength and tone to the organs.

The sick and delicate need a gentle tonic-stimulant. It is often a matter of life and death with them. The ideal nutrient and restorative is pure whiskey. The whiskey usually given is poor and therefore dangerous. Too much stress cannot be laid upon this. Weakened systems need a mature, wholesome, mellow liquor. That's precisely what the I. W. HARPER Whiskey is.
