CANBY.

The snow fell here to a depth of six inches. With the exception of cordwood chopping there is but little doing.

Albert Lee is finishing his new house for a harness shop, it is said, but the intention was at first to make it the Big Sichel store.

Parties living near Canby intend soon to swing off into matrimonial bliss.

The Southern Pacific company is having a large quantity of gravel loaded here.

Mrs. H. Gribble has had the woodshed rebuilt which burned about six weeks ago.

George Lee has gone to the Santiam to work for his uncle. Millard Lee is in Roseburg for his health.

From the war talk flour has taken a jump to 70 cents a sack or \$2.80 a barrel.

Mrs. Riggs is still sick at the Good Samaritan hospital, Portland, and it is feared she will have to stay there for some time to come.

Mrs. Atkins died on the 17th and was buried at the Canby cemetery.

Good apples hereabouts are few.

J. D. Cox has returned from California. He reports fine winter weather there with very little rain up to the 17th, when he left.

F. Zelinger has started a shoeshop in connection with his photograph gallery. Shoe repairing has come down half.

The political pot is heating up. The republicans held a grand rally here on the 10th. They want the governor to call an extra session so they can finish their work. They want another grab at the taxpayers as it looks as if it would be their last chance. The democrats stand a better chance this year than ever to make a clean sweep if they will rally lively. The people's party has held three meetings here. This town seems to be headquarters for office-seekers. They all tell you they have fought and almost died and now are ready to die in behalf of the country if

SUNNYSIDE.

John Welch is cutting wood for the school. His bid was the lowest, \$1.47 1/2 per cord, the contract calling for 10 cords.

The protracted meeting at Happy Hollow closed the 22d; 17 conversions reported.

Rev. Thomas Wiles is assisting in a revival at Clackamas this week. Rev. C. A. Willie of Oregon City filled his appointment here on Sunday.

In the item I sent two weeks ago about a fruitless hunting trip to Columbia Slough, I unintentionally omitted to state that John Welch was fortunate enough to secure four snipe.

The warm weather has started the grass to growing.

The fourth quarterly meeting of the Free Methodist church will be held here February 7 to 10. The annual society meeting will be held on the 9th, when the delegate to the yearly conference which meets at Gresham April 2d, will be elected.

An addition should be built to our district schoolhouse, as the building is too much crowded for good school work.

REDLAND.

Where is the little city of Redland? It is situated eight miles east of Oregon City, four miles south of Logan, three miles west of Viola, two miles from Linn's Mill and about 5280 miles from New York.

G Davis was at Linn's Mill last week. J Wright visited our vicinity.

Mrs. S. C. Linn and J. E. Linn were visiting Mrs. Leek.

Mrs. F. E. Linn and wife went to Tremont Saturday.

There will be a drama and minstrel show at Linn's Mill on February 11th. Admission 10 cents. Dance after performance. Also a handsome present for the prettiest girl. Lovely lassies, come and shake your feet.

Mrs. Cora Leek gave a dance at B. F. Whiteman's which was a grand success, there being a number of good-looking boys and bewitching lassies, who returned early Sunday morning.

Some of our young folks were at Mr. Wolf's to a dance a few days ago, and I needn't say they had a good time.

Say, boys, do ye know that sideburns be in fashion? Fort a fact, they are.

G Armstrong was in Oregon City on Friday.

COLTON.

There is spelling school to-night at the Gorbett schoolhouse. Notwithstanding the bad weather the house is crowded.

Last Sabbath the young people met at Mrs. Dix's to sing. They are to meet at Mrs. P. Bonnev's next Sabbath.

Mr. Gorbett has a sick horse. Mr. Lafferty lost a horse.

Wm. Edgcomb I hear is not much better.

Mr. Gorbett has the Anderson saw-mill running in fine order since putting in new machinery. Mr. G. has had considerable trouble with the mill.

Last week Coltonites were surprised to see the pleasant countenance of Miss Julia Oswalt, a resident of this place some years ago. She has had her share of ups and downs since we met her last, she having buried a mother, a brother and sister in that time.

A number of school children here have sore throat, not dangerous but enough to keep them out of school.

Last spring, P. Bonnev was passing along on the common a quarter of a mile from any house, when he found a little chicken. He brought it home and it proved to be a pullet and he got a mate for it. It had laid 33 eggs last week and was still laying. Who can beat that for a spring chicken?

The people of this place are looking forward with some interest to the speaking of Mr. Fitch on Saturday night in the alliance hall of Canyon Creek.

A Matter of Opinion.

A gentleman was greatly surprised and pleased the other day at the reply a lady gave to the question: "Do you plant Vick's Seeds?" Her answer was: "I always plant Vick's seeds in the front yard, but we get cheap seeds in the back yard, which I know is a mistake."

It pays to plant good seeds, and we advise our friends who are thinking of doing anything in this line to send 10 cents for Vick's FLORAL GUIDE for 1896. This amount may be deducted from the first order. James Vick's Sons, Rochester, N. Y., are the pioneers in this line.
