

IMPROVE THE TOWN.

ONE OF THE PRIME REQUISITES IS CLEANLINESS.

Beauty and Neatness Tend to Promote Good Health—Southampton, N. Y., Sets a Good Example—Benefits of Organized Effort—A Model Village.

One of the most active and beneficent village improvement associations in New York, if not in the country, is to be found at Southampton. The association was formed in 1884, and most of the prominent business men of the place are included in its membership. The object of the association is clearly stated in its bylaws:

"The Southampton Village Improvement association is formed to encourage, promote and carry on projects for the beautifying of the village of Southampton.

"The village being now noted for its salubrity, and for the existence of conditions in a high degree favorable to health, it will be a primary object of the association to take all necessary measures to keep its high sanitary reputation. To that end it will make efforts to exclude any source of disease or contagion, to especially insist that the lake and waters are kept pure and free from possible contamination by erroneous plans of sewerage, and to aid in enforcing all regulations of the local or state board of health.

"It is further the object of the association to encourage and promote measures for local improvement in the building or laying out of walks or roads, the planting and preserving of trees and turf, the adoption of other plans for beautifying the village and for increasing its facilities of access.

"The association depends for its funds upon small annual or other dues from its members, and upon donations from those interested in the maintenance of its plans."

How well the association has succeeded in its work is evidenced in the model village, which is the result largely of its labors. Sidewalks in perfect condition, streets sprinkled, roads kept in repair and beautified with shade trees, pavilions and docks built around the Agawam lake shore, signboards erected at street crossings, are among some of the results of the society's work. Points of interest in the village and vicinity are designated by signs, bearing a brief inscription of historic facts. For instance, the original settlement of the village called Old Town, where the first settlers of the town erected houses in 1640, is marked with a sign telling of that fact. The first cemetery in the town is thus designated: "Old Southampton Burying Ground. Opened 1640." The site of the first church, which was erected in 1642, is also described to visitors in the same manner, and the old fort used during the Revolutionary war also bears a tablet marking its location. The wood drives north of the village are also provided with guideboards.

Besides these, several of the society's employees were kept busy during the summer months patrolling the principal streets in the village for the purpose of removing waste paper, stones and other objectionable matter, and neatly painted barrels are placed at convenient points about the village bearing the inscription, "For the sake of neatness, deposit waste paper herein."

The average annual amount paid in by members of the society during the past ten years is about \$400, but during the past season the funds were materially increased by an equestrian exhibition, given by the cottagers, the sum netted being nearly \$600, and further by a bicycle meet, which added \$430 to the treasury. With these additions to its funds, the executive committee has been enabled to add largely to its field of improvements. Street sprinkling carts were purchased, and the sprinkling of the streets added greatly to the public comfort, and the sidewalks, docks, pavilions and other property of the association were put in perfect order. After paying all indebtedness, the treasurer reports a balance on hand of \$588.58 with which to commence the work of improvement next season.

One Town's Proud Record.
It is the proud boast of the people of the northern section of Cass county, Mo., the commercial center of which is the town of Pleasant Hill, that a mortgage has never been foreclosed on a farm in that part of the county and that no money lender has ever lost one dollar by investment there. It is a glorious record, bespeaking not only the great wealth of the soil, but the sterling honesty of the people.

Pleasant Hill is one of the sturdy little cities that go to make up Missouri's greatness. It is one of the most important shipping points in the state. Her citizens are wide awake and progressive, standing in the front rank of the army that is making the new Missouri.

He Read Newspapers.
"Have you observed," said a merchant to a customer, "the handsome advertisement I have on a fence between Red Cloud and Inavale?" "No," replied the customer, "but if you will send the fence around to my house I will try to read the advertisement." "I read the papers, and I haven't time to go around reading billboards." And the merchant scratched his head.—Red Cloud Chief.

The Road to Success.
Good soldiers don't cease firing as soon as an advantage is gained. Good advertisers keep "everlastingly at it" so long as there are customers to procure and new goods or special values to announce.—Printers' Ink.

A Good Definition.
An advertisement is a thing that represents a business man's goods and business at a place where the man and the goods are not.—R. L. Curran.

Karl's Root Tea purifies the blood, and gives a clear and beautiful complexion.

An Old Soldier's Recommendation.
In the late war I was a soldier in the First Maryland Volunteers, Company G. During my service I contracted chronic diarrhoea. Since then I have used a great amount of medicine, but when I found any that would give me relief it would injure my stomach, until Chamberlain's Colic, Cholera and Diarrhoea Remedy was brought to my notice. I used it and will say it is the only remedy that gave me permanent relief and no bad results follow. I take pleasure in recommending this preparation to all of my old comrades, who while giving their services to their country contracted this dreadful disease as I did, from eating unwholesome and uncooked food. Yours truly, A. E. Berding, Halsey, Oregon. For sale by G. A. Harding, Druggist.

A Great German's Prescription.
Diseased blood, constipation, and kidney, liver and bowel troubles are cured by Karl's Clover Root Tea. For sale by G. A. Harding.

All Recommend It.
Ask your physician, your druggist and your friends about Shiloh's Cure for Consumption. They will recommend it.

Some time ago Mr. Simon Goldbaum of San Luis Rey, Cal., was troubled with a lame back and rheumatism. He used Chamberlain's Pain Balm and a prompt cure was effected. He says he has since advised many of his friends to try it and all who have done so have spoken highly of it. It is for sale by G. A. Harding, Druggist.

Economy is something that everybody tries to practice, and yet just a little oversight will sometimes rob the most frugal and thrifty family of a year's savings. You want to do as J. P. Hickman, of Monticello, Ga., did. He writes, "For six years I have kept Simmons Liver Regulator in my home, and used it in my family and have had no need for a doctor. I have five as healthy children as you can find."

Catarrh Cured.

It is easy to humbug a man once. When he has been persuaded into buying cheap, inferior whiskey he never does it again if he can help it. Inferior whiskey is disgusting, poisonous and unsatisfactory in every way. Besides it is dangerous to health and comfort. Don't buy whiskey at random. The risk is too great. Get a high-grade liquor that has been tested and proved.

The I. W. Harper, Nelson county, Ky., whiskey has made a reputation by its excellence. It is invariably good and can always be depended upon. Sold by Hill & Cole, Oregon City, Oregon.

TEACHERS' MEETING.

The regular monthly meeting of the Clackamas County Teachers' Association was held in the schoolhouse at Barlow Saturday, January 25.

Following is a list of teachers present: Supt. H. S. Gibson, S. W. Holmes, A. C. Strange, T. J. Gary, E. M. Ward, Arthur Holden, C. E. Cone, T. L. Coleman, W. L. Kelsor, Bertha Sumner, Joanna Peter, Helen Taylor, Mollie Talbert, Fannie G. Porter, Hattie Monroe, Nellie Younger, Elgiva Mullan, Laura Beatty, Maggie L. Hampton, Bertha M. Gibson.

The meeting was called to order at the usual time by Supt. Gibson.

The minutes of last meeting were read by the secretary, Fannie G. Porter.

The semi-annual election of officers resulted as follows:

Vice-president, E. M. Ward; secretary, Fannie G. Porter; treasurer, A. C. Strange; editor, Bertha M. Gibson.

Miss Mullan and Mr. Ramsby played a beautiful violin and organ duet.

A. C. Strange spoke on "Results to be Secured in School." "The results we hope to attain comprise every hope of the profession. It is not possible to measure the work of a real teacher. It is possible to spend a great deal of time in reading, yet acquire very little knowledge thereby. One should read something good to remember. One of the greatest results of teaching is the development of mind. 'Habit is but another name for character.'"

Miss Jennie Rowen recited "Ben, the Wait" in her usual pleasing style.

"How to Teach Writing" was the subject assigned to T. L. Coleman. "The pupils should be taught to write well, and to write rapidly." Mr. Coleman illustrated his method of teaching the formation of different letters.

C. M. Ramsby sang "A Letter from Home" with much expression.

It was decided to hold the next association meeting at Parkplace, and Mr. Gray, Miss Phelps and Miss Monroe were asked to prepare a suitable program.

Association adjourned until 1:30 p. m. AFTERNOON SESSION.

Called to order by Supt. Gibson. The audience were delighted with instrumental music furnished by Miss Mullan and Mr. Ramsby.

Miss Bessie Shephard recited "Alaska."

"History" was the subject assigned to Geo. L. Story. "The principles of our government demand that the masses of the people shall be educated. The study of history teaches the struggles of our forefathers for constitutional liberty. History comprehends all that is best and greatest in human development. Cromwell and John Hampden paved the way for the American Revolution."

Mr. Story believes that history is one of the most important branches of study. "The knowledge of what has been done in the past should prove a

safe guide for the future." Messrs. Kelsor, Gary, Gray, Holmes, Ward, Strange and Supt. Gibson also spoke on this subject.

Miss Veva Tuil sang a beautiful song. T. J. Gary spoke on "The Best Discipline." "If it were possible for a teacher to read the character of each of his pupils, the use of the rod would be unnecessary. It is something necessary to enforce order. The best discipline is an active means to the improvement of the mind and morals of the pupils."

Messrs. Strange, Story, Holmes, Gibson and Ward spoke briefly on this subject.

Messrs. Parmenter, C. U. Barlow, Koehler, Irvin and others spoke words of encouragement to the teachers.

On motion association adjourned to meet at Parkplace the last Saturday in February.

CASTORIA

for Infants and Children.

MOTHERS, Do You Know that Paregoric, Bateman's Drops, Godfrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons?

Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. Samuel Pitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts.

The fac-simile signature of *Chas. H. Pitcher* is on every wrapper.
