## THINKING ABOUT PAPERING

Best time in the year to have it done—just before the spring house cleaning. Call, let us show you what we have in new wall papers. You won't find a prettier, more attractive stock of fine papers anywhere. And there's another point about it worth knowing. While this present stock is here we're underquoting the lowest prices quoted hereabouts on wall papers. Estimates cost nothing. You will find in our stock 300 different patterns in 1000 rolls from 4c up.

### E. E. WILLIAMS, The Grocer.

### DEATH TO FRUIT PESTS.

To make the orchard pay you must spray, winter and summer with Prof. Brown's Exterminator. The only insecticide known that will kill all insect life without injury to tree, fruit or foliage.

Endorsed by the State Board of Horticulture of California, Oregon and Washington. Used by many Nurserymen and Orchardists. My winter wash is the only solution that will kill the woolly Aphis, (used only when the foliage is off). My summer wash is a pure destroyer of the codling moth, eggs, and all insects except woolly Aphis, use just after the blossoms fall off, my hop louse wash kills all insects that infest vines, vegetables and plants.

The ingredients used in my formulas can be found in any drug store, costs much less than other washes. (Full and explicit directions for mixing and using.)

Knowing I have a sure remedy, some unprincipled parties are now selling imitations. Therefore, to discourage all such parties I have concluded for a short time only to reduce the price of the three formulas to \$2.00 by mail to any address. Formulas copyrighted, January 14th, 1895. P. O. Box 227. By W. H. BROWN, Entomologist. San Francisco, Calif. Mention this paper.

### STAFFORD NOTES.

Some snow and the thermometer trying to swallow itself. Roads frozen and rough. Grain fields have a light covering of snow. Wind strong from the northeast. Some dust blowing. Everybody interested in keeping up the fires.

A Leap-year party at Sharp Bros.' last Saturday night; lots of fun.

G. Reutter took possession of the post office on the 29th ult., Mrs. M. A. Gage retiring. Mrs. Gage has acted as postmistress here for almost 11 years.

School meeting in district No 41 was well attended yesterday. B. F. Weddle was elected director and Peter Larson re-elected clerk. Z. Ellingsen tendered his resignation as director and Sam Mayer elected to fill the vacancy.

Bids have been received for building a new school-house. McMillan's bid was \$474, Saums' \$500 and Fisher's \$535. McMillan will probably get the job.

Miss Maggie Heitig and F. Fredericks were married Friday afternoon at their residence near the Tualatin. Rev. Gronda tied the knot. A few friends and relatives were present. Mr. Fredericks is a widower three times over and has a large family of children, some of which are nearly full grown. His bride is a blessing girl of 21 summers and 22 hard winters. As things grew quiet in the large hours of the night, 15 of the neighboring boys gathered around the house and commenced to serenade. Cakes and pies were served, of which the boys ate most ravenously, acting as though they had not had a square meal for at least a week. Wine made them gloriously happy, some rinking nearly half a gallon, being they were getting it free. Mr. P's son Freddy got out with his old fowling piece and helped to fright the natives away. Some one shot through the house, five bullets in all entering the building, one going clean through, also through Miss Malvina Schroeder's fine French hat. Some arrests are talked of and the boys are excited. But few of the boys had guns, cow-bells and tin cans, predominated.

The young people have been allowed the old school building for the moving it off the school grounds. They intend fitting it up for a literary and social hall.

Mrs. Reutter's house has been moved out near the road and fitted up for the post office. LENGTHY, March 3.

make this his future home. He was accompanied by his nephew, Mr. Harrison.

Mr. James Stanien died last Sunday at the home of his parents, Many sympathizing friends attended the funeral yesterday. CRIZEN, March 4, 1896.

### CLACKAMAS.

Miss Rose Douglas was visiting here last week.

Miss Georgia Ruth, one of Clackamas county's popular teachers, attended examination last Saturday at Oregon City, returning on Sunday evening.

The revival meetings have closed, resulting in nine additions to the M. E. church.

The social last Tuesday evening at Mr. Humphrey's was not well attended on account of the bad weather. Those that were present report a good time.

The following delegates attended the Sunday school convention at Milwaukie on the 21st. Mrs. Longcoy, Mrs. Cook, Mrs. C. F. Clack and Mr. Lawrence. The exercises were all good and the dinner that was provided for the delegates could not be excelled. We will put Milwaukie against the world for fine dinners.

Miss Jessie Paddock visited friends in Portland last week.

Our Congregational friends are making all needful preparation to commence to build a new church soon. They have a beautiful location and it will be quite an addition to our town.

There is quite a lively fight going on between the Brownell faction and the Apperson faction in this precinct and the chances are that the Brownell faction will come out on top although its hard to tell what a day may bring forth.

The latest victims with the numps are Mrs. Hortnell, Mr. Ed Dedman, Mabel Laurence, Tony Foster and Miss Laura Johnson.

Those who attended as delegates the Sunday school convention from the school at the hall were Mrs. T. Holcomb, Mrs. Grace Holcomb, Mabel Webster, Sadie Hickman, Della Robinson and Mrs. Raayon.

The Hon. Geo. C. Brownell addressed the voters of Clackamas last Friday evening at the brick hall on the main issues of the day, after which a republican club was organized with James Wells as president and William Robinson as secretary.

The house occupied by Mr. Brady was entirely consumed by fire Monday morning. The contents were all saved and the family escaped uninjured.

The Hon. U'Ren of Milwaukie addressed a good audience of ladies and gentlemen at the brick hall last Saturday evening from a populist standpoint. He held his audience spellbound for nearly two hours and was greeted with round upon round of applause.

Miss Myers and a Mr. Moore of Oregon City and Mr. Nash from University Park, Portland, worshiped at the M. E. church Sunday last.

A number of the young folks gave a hard times party Monday evening in honor of Miss Rose Douglas at Mr. Marion Johnson's. The time was spent in games and music. About 12 o'clock all were invited to partake of a hard times supper. At a late hour all went to their homes feeling that the event was enjoyably spent.

The winter term of school closed last Monday and the spring term commenced Tuesday morning. A majority of the patrons of the school are well pleased with the way the school has been conducted by the two efficient teachers, Miss Georgia Ruth and Miss Agnes Mattock.

Mr. Ed Dedman was elected clerk of the school district board at the annual meeting for one year.

The school gave a very beautiful flag drill last Friday in memory of Washington's birthday. Both rooms took part.

Mr. Humphrey attended the democratic county central committee meeting at Oregon City last Saturday.

Mr. C. F. Clark was in attendance at the farmer's institute in Oregon City last Saturday and read a very interesting paper.

At the school meeting held at the school house last Monday evening for the election of a director, two candidates were put in nomination, Mr. Daniel Talbert and Mr. Mather; 46 ballots were cast, Mr. Talbert receiving 24, a majority of two and has declared daily elected for the term of three years. We believe this makes the fourth time the voters of the district have honored Mr. Talbert with the office. This speaks well and goes to show that he is a good straightforward, honest man. Dr. Hickman and Mr. Longcoy are the other two members of the board. March 4th. AXON.

## SIMMONS LIVER REGULATOR

THE BEST SPRING MEDICINE

is SIMMONS LIVER REGULATOR—don't forget to take it. The Liver gets sluggish during the Winter, just like all nature, and the system becomes choked up by the accumulated waste, which brings on Malaria, Fever and Ague and Rheumatism. You want to wake up your Liver now, but be sure you take SIMMONS LIVER REGULATOR to do it. It also regulates the Liver—keeps it properly at work, when your system will be free from poison and the whole body invigorated.

You get THE BEST BLOOD when your system is in Al condition, and that will only be when the Liver is kept active. Try a Liver Remedy once and note the difference. But take only SIMMONS LIVER REGULATOR—it is SIMMONS LIVER REGULATOR which makes the difference. Take it in powder or in liquid already prepared, or make a tea of the powder; but take SIMMONS LIVER REGULATOR. You'll find the RED Z on every package. Look for it.
