"Castoria is the best remedy for children of which I am acquainted. Dr. J. F. Kitchell, Conway, Ark.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it." Mrs. La Point, 217 Humboldt St. Typhoid fever left me with heart trouble of the most serious nature. Nothing the doctors gave had any effect. I had severe pains in the heart, and was unable to lie on my left side for more than three minutes at a time.
