PATRONS OF WOMEN INDUSTRY.

OREGON CITY, APR. 17, 1896.

COUNTY DEMOCRATIC TICKET.

- Representatives, O D ROBINS of Orville, J S RUSLEY of Milwaukie, J H IRVING of Canby. County Commissioner, JOHN LEWELLING of Springwater. Sheriff, C W GANONG of Canemah. County Clerk, J E JACK of Marquam. Recorder, A H SCHRAM of Oregon City. Assessor, E C HACKETT of Park Place. Treasurer, H L KELLY of Oregon City. School Superintendent, P L COLEMAN of Mackburg. Surveyor, FRED HERR of Oregon City. Coroner, E A SOMERS of Oregon City. Justice Oregon City District, J C KELLER of Oregon City. Constable, G C Fields of Canemah.

DEMOCRATIC OUTLOOK BRIGHT.

The high and lordly air by which national republican leaders were so recently recognized has entirely disappeared. The confidence that distinguished them no longer exists. The theory of party infallibility has been exploded and millions in the country who have been voting the republican ticket simply because they acquired the habit of so doing, are engaged in some very active thinking. Ever since the party first came into national control it has cunningly maintained the fiction that it alone was capable of directing the affairs of government. During the brief intervals of democratic rule all the concentrated energies and eloquence of the opposition was directed to charging incompetency, insufficiency and want of harmony. The democratic congress was berated and maligned from the time of its assemblage to that of its final adjournment when the vociferous jeers turned to prophecies of speedy dissolution.

Now the republican congress is in a far worse plight than that of its predecessors. All the contempt, scorn and pity which were heaped upon the democrats during a brief period of control, return upon it with ten-fold force.

The one thing which congress has done which meets popular approval is its recognition of the Cuban belligerency. But this action was practically unanimous and non-partisan.

The democratic chances of a national victory next fall are 100 per cent better than they were ninety days ago. The republicans in the senate have succeeded in giving its own party one of the severest trouncings ever administered to a political organization. The trick of those who sought to pass a tariff bill under the pretense that it was required to meet an urgent demand for more revenue, with a belief that political capital would be realized should the president veto the measure, has reacted with fatal force.

All pretense of republican unity is abandoned and that familiar cry in time of trouble, "I want to get home," is heard from all the old-line members of the party in congress. Waiving political considerations that have to do with the good of the country, the party that a few months ago was waving its banners and shouting its huzzas, is a worthy object of pity. It only required to be shown liberality in the allowance of rope, and there was assurance in advance that it would hang itself. On the one issue upon which it could go before the country in the hope of victory, it has beaten itself and mournfully acknowledged the defeat. The tariff bill is as "dead as Caesar," senator Carter, chairman of republican national committee, emphatically announces in the senate that there can be no further tariff legislation until there is free coinage of silver.

Children Cry for Pitcher's Castoria.

The action of the treasury department in advancing the premium on assay office gold bars from 1-16 to 3-16 of 1 per cent is generally commended. It probably stopped an exportation of gold. The price of American gold bars in the London market has advanced from 77.9 to 76.11, and this advance was just enough, with the present rates of sterling exchange, to make exportation of gold bars profitable. On the other hand, the coin could not be shipped with any certainty of profit, as the treasury coin now available would probably run light when weighed in London. The treasury officials were notified of the condition of things, and the advance in the premium on assay office gold bars was the quick response.—Review.

The London Bullionist says: "Two per cent money is beginning to tell everywhere. Till lately its effect was chiefly confined to London, but now one hears of it in the provinces also. It is producing some notable results in Scotland. The steam of deposit money that used to flow into colonial banks and investment companies, having had those outlets completely closed, is now forced to find new employment at home. Solicitors in Edinburgh and Glasgow are at their wits' end to discover investments for their clients. For mortgage money they are glad to get 3 per cent, and recently some business is said to have been done at a still finer rate."

The soot ejected by a smoke stack weighs more than is commonly supposed. The attack of a German sugar factory had been provided with a soot catcher. Six days afterwards the soot was removed, and it was found that during this time 6700 pounds had accumulated. The stack of such a factory is estimated to throw out during the period of the year, during which it is in operation, the enormous quantity of 200 tons of soot.

JOHN H. MITCHELL will be re-elected U. S. senator, notwithstanding the opposition of the Oregonian. Mr. Scott has tried to defeat him before, but failed. Minionism is doomed in Portland. Justice will prevail, and the people of Portland will do their duty at the polls on June 1.—Commercial Review.

Rev. Grey Leaves.

Since the following letter from the Ministerial Association at Oregon City will throw some light on the matter in dispute between the members of the Washington district of the Ohio synod and myself, which matter this association has investigated, therefore I will give to the public. L. GREY, Pastor.

OREGON CITY, Or. April 7th. To Rev. L. Grey.

Rey. and Dear Brother: In view of your departure from our city and the consequent severance of your relation to the Ministerial Association here, we, the undersigned are instructed by that body to tender you this testimonial of our brotherly esteem and good wishes for your future success in the Master's work. At your request, we have made as strict an examination as we were able to do into the charges recently published in the secular press. [The Enterprise] affecting your ministerial standing and personal character, but as those making the said charges positively decline to furnish us with any evidence whatever in support of them, and as the official records submitted to us by the churches, served by you in this vicinity and particularly by the one in this city, vindicate you in the most unequivocal manner, we find no ground on which to question your standing in the slightest degree. We therefore bid you farewell with this expression of our fraternal confidence and esteem, and commend you to the love and fellowship of the brethren and Christian churches in the new field of ministerial service to which God in his providence has called you.

On behalf of the Ministerial Association of Oregon City.

Heart Trouble Quickly Cured.

A Convincing Testimonial.

"For 12 years I suffered from heart trouble. During that time I was treated by five different physicians. All of them claimed that I could not be cured. I was greatly troubled with shortness of breath, palpitation and pain in the side. If I became excited, or exerted myself in the least, the pain in my side became very severe. At times it seemed as though needles were shooting through my side. Sometime in the month of November last, I commenced taking DR. MILES' HEART CURE and since then I have improved steadily. I can now sleep on my left side, something I had never been able to do before. I can walk without being fatigued, and am in much better health than ever before. I would recommend all sufferers from heart trouble to try Dr. Miles' invaluable remedy without delay."

MISS ELLA KURTZ, 518 Wright St., Milwaukee, Wis. Dr. Miles Heart Cure is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at \$1.00 per bottle, or it will be sent, prepaid, on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.
