

About Carpets....

Yes that's the subject to talk about now, for the two-fold reason that it's Spring, and we are offering opportunities for carpet buying which are the wonder of the hour. There's nothing remarkable in low prices for goods which no one wants, or in high class carpetings being sold at figures which only the rich can touch. Our figures for new, handsome, and attractive patterns in carpets, rugs, matting, oilcloths, linoleums, etc., make buying easily possible for all. No job lots of have-beens here: Carpets, 15c a yard and upwards. Matting 10c a yard and upwards.

Build Up Your Brain...

Steady your nerves, and perfect your digestion by using bread made from our whole wheat flour. It is made from the whole wheat berry, except the outside hull or bran, which is a woody substance, irritating and indigestible. Bread made from this flour is not so white as that made from the pale roller flour, but is far superior for food as it contains all the gluten, germ, and oily matter of the wheat and is much sweeter than Graham or any other bread not sweetened artificially.

CORRESPONDENCE

CANEMAH

The mumps are still raging here. It is a common sight to see a person with a face about three times its ordinary size.

The steamer Grey Eagle has been busy towing logs for the pulp mills.

Mr. Porter, our efficient road supervisor, has begun working on the road. It is in a very bad condition.

Saturday night, April 11th, a man went into the cellar of Mr. Turney and took some provisions. He must have had an extra amount of gall, because he was not satisfied with what he secured in the night, so he returned Sunday morning. This time he went into the house and obtained \$30 in cash. He must have been acquainted to a certain extent, for he made his visit while Mr. Turney was not at home. No trace has been found.

At the last meeting of the Canemah school literary society the question for debate was, "Resolved, That the works of nature are more beautiful than the

works of art." It was decided in favor of the affirmative by the school.

The school is progressing nicely under the management of Mr. Hackett and Miss Chase. But it seems as if the people of Canemah have lost all their interest in the Canemah school since the new building was erected, and if such remains the case we had better go back to the old building. It looked to a stranger who recently came here, that the people of Canemah would walk two miles to get out of the way of the school house. Everybody should be glad to restore the interest and it is hoped that it will not remain in this state till 1900.

It May Do as Much for You.

Mr. Fred Miller, of Irving, Ill., writes that he had a severe kidney trouble for many years, with severe pain in his back and also that his bladder was affected. He tried many so-called kidney cures but without any good results. About a year ago he began use of Electric Bitters and found relief at once. Electric Bitters is especially adapted to cure of all kidney and liver troubles and often gives almost instant relief. One trial will prove our statement. Price 50c and \$1. At Charman & Co.'s Drug Store.

For your fine hats and reasonable prices go to Miss Goldsmith's.

Four housekeeping rooms over Doolittle's store on the west side for rent. Inquire at store or at Courner office for particulars.

THE BEST SPRING MEDICINE

Is SIMMONS LIVER REGULATOR—don't forget to take it. The Liver gets sluggish during the Winter, just like all nature, and the system becomes choked up by the accumulated waste, which brings on Malaria, Fever and Ague and Rheumatism. You want to wake up your Liver now, but be sure you take SIMMONS LIVER REGULATOR to do it. It also regulates the Liver—keeps it properly at work, when your system will be free from poison and the whole body invigorated. You get THE BEST BLOOD when your system is in A1 condition, and that will only be when the Liver is kept active. Try a Liver Remedy once and note the difference. But take only SIMMONS LIVER REGULATOR—it is SIMMONS LIVER REGULATOR which makes the difference. Take it in powder or in liquid already prepared, or make a tea of the powder; but take SIMMONS LIVER REGULATOR. You'll find the RED Z on every package. Look for it.
