MEMORIAL SERVICES AT SCHOOLS.—A score of Grand Army and Relief Corps representatives, and a half dozen militiamen visited the public schools last Friday afternoon for brief memorial services. Mrs. Geo. A. Harding spoke for the Relief Corps and Comrades J. T. Apperson, O. A. Cheney and Thomson for the Grand Army at the Barclay school, and Apperson and Donchy at the Eastham school. Lieutenant L. L. Pickens, of company F, gave an instructive talk at each of the two schools, and Superintendent S. W. Holmes at the Barclay, and Principal L. W. McAdams, at the Eastham school, made appropriate remarks. The children sang songs and made the occasion interesting as well as profitable. St. John's school had memorial day exercises last Wednesday afternoon, which were attended by a score of the members of the G. A. R. and Relief Corps, by special invitation. The children presented a programme of essays, recitations and music suited to the occasion. The Rev. Father Hillebrand gave a short address of welcome to the Grand Army visitors, and responses were made by Mrs. Geo. A. Harding, president of the Relief Corps, and by Comrades Apperson, Dauchy, Moore and Grider.

DECORATION DAY.—Memorial day observance on Saturday was under the direction of Meade post, G. A. R. In the morning the children of the Park Place school and St. John's parochial school gathered at Pope's hall and listened to addresses by the Rev. Father Hillebrand and Principal J. W. Gray. The procession formed and marched on Main street, passing up Seventh street and out to the cemetery. There Corwin Shank delivered a fine oration. As the roll of honor was called, the bugle sounded taps after each name. The weather was perfect, and a large number of people was present at the cemetery, and the graves generally were decked with flowers.

OREGON VS. CALIFORNIA ONIONS.—It is only about three weeks since farmers were hauling in the last of their onions, and were getting about \$2.50 a sack for them, and many of them were being shipped to San Francisco. Now new California onions are in the market here and selling at \$1.25 per sack, but there is not much demand for them. There is still quite a lot of old Oregon onions on hand, and they command \$2 to \$2.50 a sack. Just why old Oregon onions command so much higher a price than new California ones is not known.

CHAUTAQUA CHORUS.—The singers turned out in large numbers at the first rehearsal for the Chautauqua assembly on Wednesday evening of this week. Professor Boyer was much pleased both with the attendance and the spirit in which the music was taken up. The singers on their part were more than pleased with Professor Boyer. He is evidently master of his profession. His manner is kindly but thorough. The chorus meets hereafter on Tuesday evenings at the Congregational church.

CRUELTY TO FEET

Is entirely done away with by our shoes. In fact, they are a regular "Society for the Prevention of Cruelty to Feet." What are their methods? Perfect fit, prompted by respect to the shape of the human foot. A simple creed, but doesn't it cover the whole field? Then a shoe may treat a foot "shabbily" without being exactly cruel to it. That is to say, the shoe may lack style and wearing capacity. But ours have the wearing capacity and style along with the fit, and that should be enough to make you buy them.
