# CRUELTY TO FEET.

Is entirely done away with by our shoes. In fact, they are a regular "Society for the Preven-tion of Crnelty to Feet." What are their methods? Perfect fit, prompted by respect to the shape of the buman foot. A simple creed, but doesn't it cover the whole field? Then a shoe may treat a foot "shabbily" without being exactly cruel to it. That is to say, the shoe may lack style and wear-ing capacity. But ours have the wearing capacity and style along with the fit, and that should be enough to make you buy
