Build Up Your Brain..

Steady your nerves, and perfect your digestion by using bread made from our whole wheat flour. It is made from the whole wheat berry except the out side hull, or bran, which is a woody substance, irritating and indigestible. Bread made from this flour is not so white as that made from the pale white roller flour, but it is far superior for food as it contains all the gluten, germ, and oily matter of the wheat and is much sweeter than Graham or any other bread not sweetened artificially.

he Discovery Saved His Life.

Mr. G. Caillouette, Druggist, Beaverville, Ill., says: "Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We don't keep store or house without it." Get a free trial at Charman & Co's Drug Store.

WHO IS ELECTED?

The Result Still in Doubt.

REPUBLICANS CLAIM THE VICTORY WITH SIX DOUBTFUL STATES TO HEAR FROM.

BRYAN STOCK IS RISING RAPIDLY!

Tabular Statement of the Vote of the State, Counties of Oregon and Precincts in Clackamas County.

The election of president is still in doubt. The republicans claim 264 of the 447 electoral votes, but as this number includes the 55 votes still in doubt, of California (9), the two Dakotas (7), Indiana (15), Michigan (14), West Virginia (6) and Delaware (4), the democrats have, at present, as much ground to claim the victory as the republicans. The Associate Press concern is in the hands of the republican party, and it is not to be expected that it would be in a hurry to disseminate news unfavorable to McKinley. The campaign dispatches which fill the columns of the dailies are contradictory and of little value. We can only "wait till the clouds roll by," which, probably, will reveal the election of the People's Champion, William Jennings Bryan.

The Bryan men in Portland bantered the republicans on Wednesday evening by offering to bet on Bryan 2 to 1, but McKinleyites who would "put up" were very scarce. The republican roosters of Oregon City crowed too early, for now their tail feathers are drooping.

If Bryan is elected, it will teach the millionaires once for all that American manhood cannot be bought like cattle. His defeat will be an incentive to all true patriots to renew and continue the contest against the tyranny of consolidated wealth. The Democracy recognizes that Capital and Labor are necessary to one another, in friendly harmony, not, as now, the one suppressing the other into servitude, a condition that is menacing to Liberty and the perpetuity of the American Republic in fact as well as in name.

On Thursday afternoon, the dispatches placed to Bryan's credit 196 electoral votes; McKinley, 189. All the rest at sea.

LATER—As we go to press (Thursday at 5 p. m.) a telegram was received from Chairman Jones conceding McKinley's election.
