SUCCESS IN BUSINESS

Is attained by the use of good sound common sense. The merchant who gives fair, honest values for the price never will be without plenty of customers. While we will always meet the price of "bait" merchants to cash trade, we never resort to fake sales or any other deceptions to attract trade. Our appeals are to your pocket book, and we give the best all round values. The average man or woman has sense enough to know that when staple goods, like groceries, are offered for less than real value, they are of inferior quality or old and shop-worn. "Baits" were invented to catch fish, not men.

FROG POND.

As it has been quite a while since there has been any news from this place I will try and scrape up a few.

J. L. Kruse has his windmill about completed; its tower is about forty feet high. He has a tank in connection which will hold about 2000 gallons.

School is progressing smoothly with Miss Jennie Noble as wielder of the birch. There are about 25 pupils in attendance this spring.

"Curley" has been making improvements in the shape of some new fences around the barn yard.

August Gehart has taken a contract to build a barn for Albert Turner. The house will probably come later and then—

The A. P. A. met last Saturday evening with a good attendance.

We hear there was an amateur prize fight at Stafford a few days ago. Large boys sometimes meet their match when they least expect it.

Well, the long expected confidence made its appearance a few days ago in the shape of a wind storm. We always had an idea that wind was about all there was to it.

HIGHLAND.

The Highlanders can truly say:

Rejoice and be glad

For it shines at last

The clouds have departed

And starvation is past, at least for the present. This has been a tough winter, everybody out of feed and starvation and famine staring us in the face all the time, but at present vegetation is growing, trees are budding and everything in nature smiles.

Robert Ganther, our ambitious young teacher, commenced school at Highland with a good attendance. We wish him every success and hope he will teach the young ideas how to shoot right.

The Highland literary and debating society is running on full time now as ever before and we will briefly state that you are missing a treat during your absence. M. E. Kandle, president; G. R. Miller, secretary.

The Mayfield boys while hunting recently found and robbed a coyote nest with seven young pups. The boys took them home and nursed them awhile but finally they all died. They will make \$14 out of the scalps now. So there is no great loss without some small gain.

April 13th. CORRESPONDENT.

REDLAND.

Oregon is herself again, and we are having some fine weather. Grass looks as green as some of the Redland boys, the orchards are in full bloom, also wild currants, lilacs and our yard pets, and you can see the sports of our burg putting on "dog" daily.

Mr. Miller has moved in our town. He has got a job grubbing for G. Spees.

Mrs. Tomlinson is visiting her mother a few days this week.

There will be Easter services in the Bethel church next Sunday.

The dance at Whiteman's Saturday night was well enjoyed by those present.

Miss Cora Leek and John Potter were united in bonds of matrimony by Justice Schubert at the home of the bride's parents, Mr. and Mrs. Leek, of Redland. The bride was becomingly dressed in gray, and the groom wore the conventional black. After the ceremony the company partook of a bountiful feast to which all present did ample justice.

Sunday night just as the sun was setting the boys gathered in from far and near at Linn's mill to begin their march to the residence of Mr. Leek. As the crowd reached the house they heard the violin and organ playing the "Farewell Wedding" as the music died away the captain hallooed fire. This only lasting 25 minutes when the boys spied a barrel of stomach bitters rolling out towards them, which the boys soon got on the outside of. Then the happy crowd went home as happy as a June bug.

B. New of Currinsville was a caller at A. B. Linn's Tuesday.

Mrs. S. C. Linn will attend the Pomona grange at Astoria today.

Resolutions.

Hall of Multnomah Lodge No. 1, A. F. & A. M.

To the Worshipful Master, Wardens and Brethren of Multnomah Lodge No. 1, A. F. & A. M.

Your memorial committee entrusted with the preparation of resolutions expressing the sentiments of this lodge on the death of Brother Luther M. Andrews, respectfully submit the following:

On the 18th of March, 1897, death plucked from our number a brother who was beloved by all, one who will live in the memories of those whom he has been blessed by him, and in the remembrance of noble acts well done.

We honored him in his lifetime and with feelings of fraternal affection, softened by sorrow, would gladly pay a fitting tribute to his memory, therefore,

Resolved, That in the death of Brother Luther M. Andrews, his family was deprived of a loving and affectionate husband and father, his neighbors a good friend, the lodge an honored and worthy member and the state an upright citizen.

Resolved, That we offer our heartfelt sympathy to his bereaved family in the grief they must feel in this separation.

Resolved, That a copy of these resolutions be sent to the bereaved family, given to the Oregon City papers for publication and that they be spread upon the records of the lodge.

Fraternally submitted,

M. E. BAIN.

R. KOERNER.

F. S. KELLY, Committee.
