OREGON CITY, APRIL 23, 1897.

Some of the bicyclists of the city are opposed to the ordinance to prevent them from riding on the sidewalks in unimproved parts of town where it is impossible to ride in the streets.

G. A. SPRECKELS, the sugar baron, and one of the republican leaders of California, has discharged every white man on his plantation in Hawaii and put orientals in their places.

Good times are coming to the stock industry of Oregon. For the next five years there is going to be good profits in cattle, sheep and goats.

How comes it that so many of Portland's business men refuse to participate longer in the chamber of commerce meetings? Can it be that they are in the dumps on account of the delayed appearance of general prosperity?

The McKinley tariff law labeled, "A bill to reduce the revenue and equalize the duties on imports and for other purposes," went into operation June 30, 1890.

The ultimate prospects for silver remonetization are not as gloomy as they might be. The lessons of disaster in India, due to the closing of the mints of the rapid growth of commercial competition, suffered from silver counties like Japan, already have served to create a change of opinion in Great Britain on the subject of monometallism.

A WORD OF MEN'S SHOES. Shoe bargains, but never bargain shoes. Do you catch the idea? If great buying—if having large lots of shoes made—if the impetus of this great shoe business helps to make prices abnormally small—then we have shoe bargains.

SUGAR BEET SEED ALL GONE.—The Manufacturers' Association of Portland, who have so liberally supplied the beet seed which the committee of the board of trade has undertaken to distribute among the farmers of this county, have sent word that the seed has all been distributed to over 200 farmers throughout the state which will be sufficient to give them a thorough trial.

FLAX INDUSTRY.—The flax committee of the Oregon City board of trade has received a communication from Mrs. W. P. Lord giving instructions in regard to the culture of flax. The Oregon Women's Flax Fiber Association of which Mrs. Gov. Lord is president wishes to contract with farmers to raise flax, it agreeing to furnish seed and defray price of same from harvested crop.

ORDINANCE NO. 111.

An ordinance regulating Carriages, Bicycles, Tricycles and other Vehicles. Oregon City does ordain as follows:

Provided, however, that the drawing, pushing or leading of a bicycle on any sidewalk shall be and is excepted from the provisions of this ordinance.

Sec. 2. Sec. 4. That any person or persons who shall violate any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction before the Recorder or Mayor shall be fined not less than \$3.00 or more than \$25.00 or imprisoned in the city jail not more than 15 days or by both fine and imprisonment in the discretion of the Recorder or Mayor.

All ordinances or parts or ordinances in conflict herewith are hereby repealed.

A WORD OF MEN'S SHOES.

Shoe bargains, but never bargain shoes. Do you catch the idea? If great buying—if having large lots of shoes made—if the impetus of this great shoe business helps to make prices abnormally small—then we have shoe bargains. These causes and readjustments of our stocks, as sizes become missing, bring all the shoe bargains we ever have. "Bargains Shoes" don't exist otherwise. For shoes "made to sell," for shoe trash of any kind, we've no room.

Scrofula Swelling

On the Neck and Great Weakness Caused by Impure Blood—Was Constantly Growing Worse.

"When my son was 5 years old he was in very poor health and we could get nothing to relieve him. At the age of 7 years he began to complain of soreness on both sides of his neck and soon lumps began to gather on one side and grow to half the size of an egg. We then became more uneasy and began to doctor him for scrofula. He gradually grew worse, however, until at the age of twelve years we had lost all hope of his recovery. He became so weak he could sit up but a few minutes at a time. My wife saw Hood's Sarsaparilla recommended as a great blood purifier and we sent and got a bottle. We began giving our boy the medicine according to directions and it was not long before we saw he was improving. He continued taking it until he was in very good health. He is now 13 years old and is well. We recommend Hood's Sarsaparilla for all troubles caused by impure blood." S. M. STEVENS, Grouse, Oregon. Hood's Sarsaparilla, sold by all druggists. \$1.50 for \$5. Get only Hood's.

How to Secure and Hold. The best trade is a perplexing problem to some people, but its solution is simple: FIRST—Buy the best goods to be had, not once in a while, but always. SECOND—Make the price low, and let the people know of it, early and often. Attention to these principles has placed HARRIS' GROCERY at the head.

Not How High. But how low can we make the price, is the question we ask ourselves when marking our goods for sale. That's what makes ours an ever-expanding business, it's a potent advertiser; it tells the story through the purse in thousands of homes, only to be retold in countless others by appreciative money savers.
