MOLALLA.

The people of Molalla and vicinity have decided to have a celebration here on Saturday, July 3d, where the celebration was held last year—at Shaver's grove. A large crowd and a good time is expected.

The drama, "The Heroic Dutchman of '97," was rendered here last Friday evening by some of the young people of Canby. They done very well and those that attended were well satisfied. Mr. Coleman as the heroic dutchman was a decided success. The Kyle orchestra from Aurora was in attendance and furnished some excellent music. The dance after the performance was over was not very well attended.

There is some work going on at the Ogle Creek mines. A Mr. Kizer from near Butteville is at work on his placer mine in the vicinity of Ogle Creek. He is working six men, while Duvall, Ladd and Mead of Portland have a force of men at work at the mouth of Ogle Creek putting in a hydraulic and will be ready to commence operation in a few days. Harless, Holt and Wheeler, in connection with others, are making a wagon road to the mines. They have several miles of it completed and will finish in a short time.

Russell, Stewart and Pelkey are about to sell their mine, the Wall Street, to Portland capitalists. If the sale is consummated the ledge will probably be thoroughly prospected this summer.

There is some building being done in Molalla and vicinity. Oliver Robbins is building a new barn and an addition to his Molalla dwelling. Geo. Adams, Ralph Sawtell and J. M. Austen are each having a new dwellings built.

Road Supervisor Stipp is busily engaged with a force of men and teams repairing our roads.

The fruit crop in this vicinity is going to be light. There will be but few cherries, prunes and plums, though there will be much more fruit here than what there was last year.

A Mr. Labelle, living some three miles west of this place, died yesterday very suddenly from paralysis. He was sick only a short time.

Nearly all the boys around here are getting bikes.

CANEMAH.

Mr. McCord, our efficient road supervisor, has been doing some good work recently.

Mr. Swope, superintendent of the Canemah Sunday school, who went East on a visit, is expected to be present Sunday.

Master Reese Blanchard, who has been on the sick list for some time, we hope to soon see him up and around.

Mr. C. Frost has been sick for the past week, but his condition is improving. Flavius Painter, who was injured in a runaway sometime ago, is able to be up and around.

The trustees of the Canemah cemetery have advertised for bids to grub the stumps, trees, etc., out of the grave yard. This is a good step of the trustees and will improve the cemetery very much.

Maxwell Telford, formerly of this place, came from Bandon on a visit to relatives and friends. He is one of Canemah's originals and we are glad to see him again.

Several of our people are in the employ of the pulp company, bringing spruce logs through the locks. It is stated that they are in the water a good part of the time.

June 9th. PROGRESS.

CURRINSVILLE.

At the home of the groom, in the presence of a number of the relatives and friends, Mr. R. H. Currin and Miss Nellie Wehrheim were married at high noon by the Rev. T. Thomas of Portland. The bride was tastefully dressed in a cream cashmere dress trimmed with ribbon and lace. The bride and groom stood under a floral bed composed of white roses, and the rooms were beautifully decorated with ivy, ferns and flowers. After the congratulations the guests were led into the dining room where a sumptuous lunch was served to them. The groom, Mr. R. H. Currin, is an enterprising young farmer of Clackamas county and very well known, having lived all his life on the homestead, now in his charge. He is very popular and much respected among his associates. Miss Wehrheim is a great favorite in the community. She was born in this county, and has spent all her life here. We bestow for them a prosperous and happy life.
