A Bird of the Far North.

During Dr. Nansen's long voyage into the Arctic sea in search of the north pole he came upon a group of four islands in the neighborhood of Franz Josef Land, near which he saw large numbers of a very rare and beautiful bird known as Ross' gull.

Boils, pimples and eruptions, scrofula, salt rheum and all other manifestations of impure blood are cured by Hood's Sarsaparilla.

A printer doesn't rush to the doctor when he is out of "sorts." Nor to the doctor when he is out of "pi." Nor to the doctor when he wants a "good rule." Nor to the gunshop when he wants a "shooting stick."

Now that almost every State has a permanent farm or station, it is of interest to note that the first experiment ground in this country. It is being conducted solely for the benefit of the readers of the paper, in which the reports of the experiments are exclusively published.

Powerful saline and other drastic purgatives should be strictly avoided, except in extreme cases. When an aperient is called for, take Ayer's Pills. They restore natural action by imparting strength and tone to the bowels, and their use is always attended with good results.

O. A. Cheney will sell you a high grade sewing machine from \$15 to \$20. See ample art gallery.

Health Means a perfect condition of the whole system. Pure blood is essential to perfect health. Hood's Sarsaparilla takes pure blood and thus gives health and happiness.
