Nothing furnishes a room like an artistically colored, well drawn wall paper. One may get along with very little furniture and few draperies, and yet have the room wear a comfortable and home-like appearance, if only the wall paper is warm and rich in effect. HIGHLAND.

Plenty of rain at present. More according to reports here than anywhere else close by. Every thing in the line of vegetation is growing nicely.

Those fortunate enough to have their hay uncut are rejoicing while others who have it cut are sorrowing, for it will surely spoil; however there is but little cut in Highland.

Grandpa George Welsh is very poorly and feeble. There are some doubts of his recovery.

Robert Guther's school will close at this place with a suitable program and basket sociable Saturday night, June 26th. Don't forget the date.

The most recent is the wedding which occurred at Fred Mink's residence. The contracting parties are Amelia Mink from Minkville and Charles Shockley from Highland, as present in the U. S. army at the Vancouver barracks. The happy couple had the nuptial knot tied at the Lutheran church with a host of friends present. Afterwards a feast and dance, where all could eat, drink and be merry.

Frank Holloway and John Shockley, two young Highlanders with considerable ambition, will depart from Highland in the near future.

John Hift, the boss carpenter from Highland, has just completed a new barn for C. Hornshuch.

When you need legal advice, you go to a lawyer, and pay for it. Why? Simply because the lawyer keeps informed on law matters by reading reliable reports on new laws and decisions by the courts on matters of law in general. Law is his business; he keeps informed on it. You, as a farmer, need to keep equally well informed on your business. THE RURAL NEW-YORKER gives you the information. It costs only \$1 a year. We can send it and the Courier both one year for \$2.

RURAL DELL.

We were so fortunate as to get a fine little shower of rain last Monday evening, which we greatly needed.

The articles at Daniel Wyland's public sale last Saturday sold well.

Rev. R. Guyn failed to fill his appointment last Sunday for some unknown reason. His congregation gathered at the school house but were disappointed.

O. Kilo will return home the first of July.

Mable Swartz and Anna Yoder have returned home from Portland where they have been working for a while.

Mr. Lawler is recovering from his sickness.

The wild blackberries are getting ripe. There will be quite a large crop this year.

Henry Yoder, Flora Yoder and Jeanne Yoder will be home from Forest Grove school this week.

Thus Donaldson is about to sell 10 acres of land.

The Free Methodist are holding a series of meetings here which will probably be discontinued tonight.

We now have the "confederate" to be here that prosperity is not coming this way.

It seems as though Joseph isn't in it since the man with (out) the mustache came back.

Resolutions.

At a meeting of Aberneth Rebekah Lodge No. 88 held in their hall this day the following resolutions were adopted:

Whereas, It has pleased Almighty God in his infinite wisdom to remove from our midst our beloved sister, Minnie G. Charman, And the long and intimate relations held with her in the faithful discharge of her duties in this lodge, make it eminently fitting that we record our appreciation of her, therefore be it

Resolved, That in the death of sister Minnie G. Charman, P. N. G. we have lost a faithful member, a kind friend whose wisdom, ability and counsel will be held in grateful remembrance, and while her memory is enshrined in our hearts, and we realize that we have suffered an irreparable loss we humbly bow to the will of Him, "That doeth all things well."

Resolved, That we extend our sympathies to the bereaved husband and family of our deceased sister.

Resolved, That a copy of these resolutions be placed on the records of this lodge, a copy be printed in the Pacific Odd Fellow and in the local papers and also a copy furnished to the family of deceased.

Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed in the Spring, when the languid exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, indigestion, Constipation, Diarrhoea yield to Electric Bitters. Only 50c and \$1 per bottle at Charman & Co's Drug Store.

Stands at the Head.

Ang. J. Boel, the leading druggist of Shreveport, La., says: "Dr King's New Discovery is the only thing that cures my cough, and it is the best seller I have." J. E. Campbell, merchant of Safford, Ariz., writes: "Dr King's New Discovery is all that is claimed for it; it never fails, and is a sure cure for Consumption, Coughs and Colds. I cannot say enough for its merits." Dr. King's New Discovery for Consumption, Coughs and Colds is not an experiment. It is a tried and true remedy. It is a century, and to-day stands at the head, it never disappoints. Free trial bottle at Charman & Co's Drug Store.
