## The Same Old Sarsaparilla.

That's Ayer's. The same old sarsaparilla as it was made and sold 50 years ago. In the laboratory it is different. There modern appliances lend speed to skill and experience. But the sarsaparilla is the same old sarsaparilla that made the record—50 years of cure. Why don't we better it? Well, we're made in the condition of the Bishop and the... "Well, he said, "God might have made a better berry. But doubtless, also, He never did. Why don't we better the sarsaparilla? We're... We're making the same old plant that cured the Indians and the Spaniards. It has not been bettered. And since we make sarsaparilla... We're making the same old sarsaparilla to cure the same old diseases. You can tell it's the same old sarsaparilla because it works the same old cures. It's the standard blood purifier, and it's Ayer's.
