**ADJOURNED TERM.**—There was an adjourned term of the county court last Monday, the judge and both commissioners being present. At this meeting the contract for building the new wagon road up the West Side of the river to Willamette Falls was let to Smyth & Howard, who were the lowest bidders. According to the engineer's estimates their bid would amount to about \$4778.38, although it is possible that a close computation of the work after it is completed, would bring the actual cost of the road down to something near \$4000. John Burke, of Portland, bid \$4888.05, and Dan Lyons, of this city, put in a bid for about \$4996.39. In the afternoon Commissioners Jaggar and Marks took a drive out on the Molalla road for a distance of five miles, and expressed themselves as well pleased with the condition of the road, although it has cost the county considerable money. Mr. Marks expressed himself as satisfied that the work was of a permanent character.

**PLEASANT RECEPTION.**—The members of the M. E. church gave their new pastor, Rev. H. Oberg, a very happy reception Wednesday evening. The opening exercises took place in the church auditorium and began with singing by the congregation; prayer by Rev. Oberg; instrumental solo, by Mrs. F. F. White; recitation, Merita Hickman; song, Tootsy Olson; duet, Mrs. Hickman and Mrs. Olson; recitation, Beatie Capen; Solo, Echo Samson; reading, Mrs. Hickman; solo, Miss May Case. After the very excellent program came the address of welcome by S. F. Scripture, to which Rev. Oberg responded in a most felicitous manner. Then followed donations to the pastor, and a splendid lunch was served in the church parlor to all who were present, without charge.

**CLACKAMAS COUNTY HOPS.**—As near as can be ascertained it is believed that about one-half of the hop crop of Clackamas county will fall on the total loss side. Comparatively no sales have been made as yet, but it is expected that first grade hops will bring a good price. The mold did the worst damage to the hops, which was considerably augmented by the early heavy rains. Had it not been for the mold and rains, the loss would not have inflicted serious loss.

**The Monopoly Breakers.**  
There is a hot time in this town since the Reliable Clothing Store has opened. You can now buy clothing, boots and shoes with \$10 more than you could 10 days ago with \$20. You will find clothing, boots and shoe stores carls stuck out at reduced prices. Who did it—the Reliable Clothing Store; therefore we claim your patronage. SCHWARTZ & MICHAEL, props. The cheapest place in Oregon City for clothing, men's furnishing goods, boots and shoes. Main street, between 5th and 6th streets.

Pistols and Pestles.  
The duelling pistol now occupies its proper place, in the museum of the collector of relics of barbarism. The pistol ought to have beside it the pestle that turned out pills like bullets, to be shot like bullets at the target of the liver. But the pestle is still in evidence, and will be, probably, until everybody has tested the virtue of  
Ayer's Cathartic Pills.
