A GOOD SCHOOL.—Attention is called to an advertisement, in another column, of the Holmes English and Business College, of Portland, Oregon. This institution has probably educated more young men and women for business, and found them employment, than all the schools of that kind in the Northwest. Miss Holmes, in addition to being assisted by an able corps of six teachers, gives her entire time to the up building of the school and everything that can add to the students advancement and comfort is provided. The school maintains six departments, namely: Three years course in English branches, a course in book-keeping, penmanship, shorthand, typewriting and telegraphy. The Holmes college is a Christian institution and has at heart not only the mental but the moral and the physical welfare of the students entrusted to its care. The principal has given much thought to the home life of students and is able to provide safe and comfortable rooms at a low cost. The past years of business depression has impressed upon the minds of all the necessity for practical education and never in the history of the country has the work of the thorough business college been so much appreciated as to-day.

CIRCUIT COURT CASES.—The following new actions have been filed in the circuit court during the past week: John Weismandle vs. John R. Abbott; O. Zimmerman, trustee, vs. E. A. B. Howard; W. W. Irvin vs. W. S. U'Ren and Sophronia N. Luelling; Willis Donagan and Joseph Channers vs. N. P. Hansen, Annie M. Hansen and Wm. Mortensen; Fred Bluhm vs. J. G. Febler and Mary A. Febler; F. Peter vs. John Malzan et al; Melinda E. Hull vs. John O. Hull.

BARGAINS IN PIANOS.—We have in Oregon City, next door to Straight's grocery, on Main street, some fine pianos, which we are offering at cut prices, for a few days. We handle the Knabe, Chickering, Ludwig, Hardman, Fischer, and other well known pianos. We will make terms to suit, and take second-hand instruments in exchange. Come and see the pianos.

THE WILEY B. ALLEN CO.

All Passed.

To the Editor of the COURIER:
A letter from Harry Fleming states that he, together with forty-four boys, in fact, all the boys that were transferred from the Adams to the Oregon, passed the examination and were promoted to second class. With your permission this is a correction of an article in the COURIER a few weeks ago in which you said Roy Sprague was the only boy from Oregon City that passed the examination. Sept. 30. MRS. G. M. FLEMING

Dr. Maybe and Mustbe.

You choose the old doctor before the young one. Why? Because you don't want to entrust your life in inexperienced hands. True, the young doctor may be experienced. But the old doctor must be. You take no chances with Dr. Maybe, when Dr. Maybe is in reach. Same with medicine as with medicine makers—the long-tried remedy has your confidence. You prefer experience to experiment—when you are concerned. The new remedy may be good—but let somebody else prove it. The old remedy must be good—judged on its record of cures. Just one more reason for choosing AYER'S Sarsaparilla in preference to any other. It has been the standard household sarsaparilla for half a century. Its record inspires confidence—50 years of cures. If others may be good, Ayer's Sarsaparilla must be. You take no chances when you take AYER'S Sarsaparilla.
