THE TRIO.

It has just flashed over us that possibly the split among the republican leaders of Oregon City is a sham, got up to fool their different followings.

The above will be news to many although it is about Oregon City and originated abroad. There are few politicians in Oregon City and they belong to the other parties.

We have been unable to read what Brownell's other paper says on account of no being a linguist.

STRIKES DON'T PAY.

It is encouraging to know that the labor-leaders are coming to see the uselessness, not to say the evils, of strikes. While the right of a body of working men to strike cannot be questioned, the expediency of their doing so is quite a different matter.

"Strikes don't pay. All strikes are lost. They are useless. They are caused by the employing classes. When capitalists get ready for a strike they provoke them, knowing well their cause is won before the conflict is begun.

But the fact that strikes have proven an inadequate remedy for the evils of which working men complain, only emphasizes the need of some better way of settling these questions that rise between employers and employees.

Pool old John Sherman has some spunk left beside the humiliation to which he has been subjected by Hanna and McKinley. When ordered by Boss Mark to degrade the high office which he holds by stamping Ohio for Hanna, Sherman wrote a speech, and when Hanna and McKinley demanded that they be allowed to revise the speech before it was delivered the aged statesman destroyed the manuscript and refused to take the stump at all.

Thomas Taggart, a democrat, defeated W. N. Harding, republican, for mayor of Indianapolis on Tuesday by a plurality that will reach 5000. The rest of the ticket, including six councilmen at-large, is elected by from 3500 to 4000.

It would not surprise us if the "turning down" of Mr. Geer in the federal appointment scramble should make that gentleman governor, at least the candidate of the republican party for the position. If the public gets the idea that a man is abused it is very liable to make a martyr of him.

Minister Leishman, in a dispatch to the state department at Washington, gives an account of the attempt that is being made to secure government ownership of railways in Switzerland.

The Chattanooga municipal election Tuesday resulted in the overwhelming defeat of the republican ticket. Col. Ed Watkins, democrat, was elected by 995 majority. The democrats elected six of the eight alderman. This city is normally republican by from 400 to 530.

This Journal and Advertiser's poll for the mayoralty preference of Greater New York voters now includes 226,529 names, as follows: VOTES: Van Wyck 72,014 Low 50,048 George 71,035 Tracy 33,431
