

A Soft and Warm Bed

BELLOMY & BUSCH
MATTRESS

is a rare treat to our care-worn body. A good bed may help us over a bad cold quick and so extend our life. You owe it to yourself and family to pay a little attention to this important fact. Our heavy blankets for \$2 a piece would make a suitable Christmas present. A large rug, 2 1/2 x 5 feet, in front of the bed, is a good match. You will do well to inspect our mammoth stock—complete in all lines we carry.

We Are After Your Trade

Pleased With the Photograph

When you pick up a picture of yourself you are naturally critical. You wonder how the photographer made it so good or how he made it so bad. When you think of the difference between our photographs and those you get from others you see wherein lies the beauty and attractiveness of our pictures. We give them a finish you will appreciate.

BIRTHDAY PARTY.—There were no old maids at the gathering at the M. E. church Friday evening styled a "birthday party." Each guest was expected to bring a quantity of coppers corresponding to the donor's age on their last birthday. This gave them the privilege of listening to an excellent program, musical and literary, and a reserved seat at the chicken supper. The church was crowded, and the program was as follows: Instrumental solo, Miss Ora Spangler; recitation, Miss Bonetta Ralston; recitation, Fotsie Olson; recitation, Genevieve Capen; solo, C. A. Miller; recitation, Mrs. O. H. Olson; vocal duet, Mrs. O. F. Olson and Mrs. H. Oberg; duet, Arden and Mareta Hickman; Solo, Miss May Case; recitation; Miss Mabel Holienbeck; quartette, Miss May Case, Miss Aas, Mrs. B. B. Doolittle and Mrs. O. F. Olson.

MOTHER GOOSE PRESIDED.—Mother Goose and all her time-honored melodies were presented at the Congregational church by the Junior Endeavor society last Friday evening in a way that brought out the applause of the large crowd of auditors present. The entertainment was under the immediate direction and management of Mrs. W. A. White, the junior superintendent. The numerous actors in the spectacular display of Mother Goose character, appeared in costume and sustained their parts with good grace. Prizes were awarded to members of the audience, who identified the greatest number of characters represented. The big shoe, filled with children; the march and doll drill by 10 little girls, a solo by the little 3-year-old son of Mr. and Mrs. J. Roake, and a duet by Misses Ivy and Katie Marks, were interesting features of the entertainment.

A HOYARD COURTSHIP.—On last Friday Charles Rauch, of New Era precinct, was arrested on the charge of the seduction of Miss Roxie E. Roadarmel, of Molalla, and Justice Schuebel set the date for hearing of the same on Tuesday, December 7th. Rauch was 16 years old, and Miss Roadarmel only 15, and it was alleged that the offense had been committed during hopping time. When the time arrived for a hearing of the case, the defendant presented a marriage license to the justice, who disposed of one case on the docket by a marriage ceremony. The parents of both of the young people had given their written consent, as they were under age, and they obtained a license to wed, which effectually barred any further criminal proceedings.

POPULIST CENTRAL COMMITTEE MEETS.—Pursuant to call a meeting of the Clackamas county people party committee was held at Justice Schuebel's office last Saturday afternoon. Steven Hutchinson, of Highland precinct, presided most of the time, but the meeting was called to order by Chairman J. Ken. A resolution was passed asking the county court to give the populists a representation of one judge and one clerk on each of the precinct election boards to be appointed in January. The matter of the use of Coos county "differential" place of making nominations at primaries was referred to the clubs for decision. A committee was also appointed to draft form of constitution for people's party clubs. Sensational charges were made by J. D. Stevens, formerly a populist, against John C. Young, chairman of the state central committee. Mr. Stevens declined to produce his proof at this time, but announced that he would do so at the next meeting. The committee will hold another meeting on the first Saturday in January.

SOCIAL AND ENTERTAINMENT.—The Ladies' Auxiliary of the Y. M. C. A., gave the members of the association and their lady friends a pleasant reception and social Wednesday evening. About eighty guests were present, and after the excellent musical program, social games, etc., were in order, and refreshments were served. The musical program was as follows: Ladies Quartette, Miss May Case, Miss Aas, Mrs. B. M. Doolittle and Mrs. O. F. Olson; solo, J. W. Loder, guitar solo, Miss May Case; vocal solo, Mrs. J. W. Gray; vocal solo, Claude Adams; vocal solo, Frank Confer with guitar accompaniment by Miss May Case; vocal solo, Mrs. W. B. Wiggins.

GRANGE FIRE INSURANCE ASSOCIATION.—A meeting of grangers and others of the lower Columbia district of the Fire Association met at the county court room Monday afternoon. State lecturer, J. Casto, presided, and Frank Jaggar acted as secretary. About 40 shares of the association were presented, and Dr. J. Casto was re-elected a director for this district. The affairs of the association were found to be in a prosperous and satisfactory condition. The membership and field of operation of the association is confined to Western Oregon, and the fire risks include only farm houses, barns, school buildings and churches.

Caufield Elected.

Following is the result of the vote for city officers on Monday:

Mayor—	1st Ward.	2d Ward.	Plurality.
E. G. Caufield.....	188	229	172
J. W. Powell.....	142	163	
City treasurer—			
H. E. Straight.....	252	265	517
Councilmen—			
John Bittner.....	124		
Rudolph Koerner.....	214		90
C. D. Latourette.....	181		60
H. C. Stevens.....	118		
George Broughton.....		163	
Fred A. Metzner.....		191	28
Arthur W. Milln.....		172	9
S. S. Walker.....		117	

Last year E. G. Caufield's plurality was 205, with a total vote of 676; this year it was 172, with a vote of 661.

The fight was between the Bryan or silver forces and the re-ublicans and gold democrats, although a large number of Bryan men voted for Mr. Caufield on personal grounds and on his good administration of the city affair, a rightly claiming that he deserved a second term. If the Press had kept still he would have received a much larger vote. The report that Dr. Powell was in favor of bawly houses and gambling is without foundation. He was no more in favor of them than the successful candidate for mayor, which is proven by the fact that his last race was made on a moral wave platform.
