rill a bottle or common glass with a rine and let it stand twenty-four hours; a sediment or settling indicates an un-nealthy condition of the kidneys. When arine stairs linen it is evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's swamp-Root, the great kidney remedy fulfills every wish in relieving pain in in the back, kidneys, liver, bladder and every part of the ur nary passages. It corrects inability to hold urine and scalding pain in passing it or bad effects following use of liquor, wine or beer, and overcomes that inpleasant necessity of being compelled to get up many times of being compelled to get up many times during the night to urinate. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists, price fifty cents and one dollar. You may have a sample bottle and pamphlet both sent free by mail. Mention Obegon City Courier and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.
