FROM THE YUKON.

On Tuesday evening, D. J. Collins and P. A. Fairclough greatly surprised their families and friends by arriving home from the Klondike. They had returned by way of Seattle. They left Dawson Nov. 18th, and reached Skagway Dec. 24th.

Mr. Collins gives an interesting account of the trip, and much valuable information concerning Alaska and the Yukon. The party left Dyea with a mule pack and from there gradually packed their goods along the trail, and camping with them every night.

At Caribou crossing we met George Miller, of Juneau, with 900 head of sheep on his way to Dawson. Collins rafted his way down the river from Selkirk to Dawson to join his companions and had some narrow escapes from drowning.

The Surprise of All. Mr. James Jones, of the drug firm of Jones & Son, Cowden, Ill., in speaking of Dr. King's New Discovery, says that last winter his wife was attacked with La Grippe, and her case grew so serious that physicians at Cowden and Pana could do nothing for her. It seemed to develop into larynx consumption.

Having Dr. King's New Discovery in store, and selling lots of it, he took a bottle home, and to the surprise of all she began to get better from first dose, and half dozen bottles cured her sound and well. Dr. King's New Discovery for consumption, coughs and colds is guaranteed to do this good work. Try it. Free trial bottle at Charman & Co.'s drug store.
