ONE OF TWO WAYS

The bladder was created for one purpose, namely, a receptacle for the urine, and as such it is not liable to any form of disease except by one of two ways. The first way is from imperfect action of the kidneys. The second way is from careless local treatment of other diseases.

CHIEF CAUSE Unhealthy urine from unhealthy kidneys is the chief cause of bladder troubles So the womb, like the bladder, was created for one purpose, and if not doctored too much is not liable to weakness or disease, except in rare cases. It is stuated back of any very close to the bladder, therefore any pain, disease or inconvenience manifested in the kidneys, back, bladder or urinary passage is often, by mistake, attributed to female weak-ness or womb troubles of some sort. The error is easily made and may be as easily avoided. To find out correctly, set your urine aside for twenty four hours; a sediment or settling indicates kidney or bladder trouble. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney and hiadder remedy is soon realized. If you need medicine you should have the best. At druggists fifty cents and bottle. Mention Oregon City COURTER and send your address to Dr Kitmer & Co., Biughamton, N.Y. The proprietor of this paper guarantee the graning-ness of this offer.

The importance of a good spring medicine is generally recognized and the reasons for it are based upon natural
