ONE OF TWO WAYS

The bladder was created for one purpose, namely, a receptacle for the urine, and as such it is not liable to any form of disease except by one of two ways. The est way is from imperfect action of the kidneys. The second way is from care-oss local treatment of other diseases. CHIEF CAUSE

Unhealthy urine from unhealthy kidneys is the chief cause of bladder troubles So the womb, like the bladder, was created for one purpose, and if not doctored too much is not liable to weakness or disease, except in rare cases. It is situated back of any very close to the bladder, therefore any pain, disease or inconvenience manifested in the kidneys, back, bladder or urinary passage is often, by mistake, attributed to female weaktor of this paper guarantee the genuine-ness of this offer.
