

Supplement to the OREGON CITY COURIER of June 3

Below we publish a copy of the official ballot to be voted next Monday with the exception of having put an "X" mark where the voters should mark "a cross" if he wishes to vote the Peoples, Democratic, Silver Republican ticket. Notice that in order to have your vote counted, you should vote for *but one* candidate under each separate heading (governor, circuit judge, etc.,) except the representative ticket which is grouped. Vote for *three* representatives and *only three*.

Notice that the "Union" nominees' names are followed by the words: "Peoples, Democratic, Silver Republican"—a long name, easily recognized on the ballot. Let no voter be fooled by the "Regular Peoples" ticket put up by the bolters from the Peoples party convention. Make the "cross mark" between the number and name of the candidates you *do* wish to vote for and do not cross out or mark in any way the names of candidates you do *not* wish to vote for.
