Other bills passed were to incor porate Eugene, Carleton, Burns, Prineville and Canby, the two last named being house bills.

# Daly School Law.

Two important measures came before the Oregon senate Friday, and neither reached a vote. Amendments to the Daly school law were discussed for half an hour, and the matter being difficult entire bill was ordered printed again with amendments.

The bill to encourage the use of widetire wagons on public roads was passed. The bill to repeal the section appropriating \$5,000 for the state fair was discussed half an hour and then made a special order for Wednesday morning. The pure linseed-oil bill was lost, 13 to 11; the bill providing for the Torrens system of registering land titles passed with only three negative votes; the bill for an irreducible school fund in Douglas county passed without question; the bill to reduce the salaries of the county clerk, clerk of the circuit court and recorder in Multnomah county from \$3,500 to \$2,500 each was passed.

New bills were introduced as follows: To authorize the state school land board to contract loans now out at 6 per cent interest for the future; to provide for the appointment of three supreme court commissioners.

The vote by which Stanley's bill to regulate the practice of dentistry in considered in the house Friday, and the bill passed by a vote of 34.

Two other important bills were passed. One is an amendment to the mining laws to facilitate the building of ditches and canals, of special interest to mining sections, and the other is a bill to withdraw certain school lands their appearance Monday. Intense from public sale and reduce the interest on loans of school funds in conformity with recommendations of the extends from the Atlantic to Western governor in a recent message to both houses of the legislature.

> In the house Thursday the following bills were passed: Senate bill providing for a separate board of county commissioners for Clackamas county; to authorize county courts and school districts to display flags on courthouses reducing the interest rate to 6 per cent. and providing for foreclosure proceedand directing inspection;

# THE DALY TEXT-BOOK BILL.

It Was Temporarily Defeated in the

In the Oregon house Monday the Daly bill for a text-book commission failed by three votes to pass, but a motion for reconsideration was carried by a decisive majority.

The greater part of the day was

taken up in discussion of the bill. The anti-crimping bill, which was

referred to the Multnomah delegation last week, was reported back to the house and referred to the committee on commerce. The afternoon session was given up to the consideration of charter bills,

the following being passed: Michell,

Dalles City and Moro; Kelly, Browns-

ville and Lebanon; Smith, Burns; Howe, Carlton; Proebstel, Weston; Dufur, Dufur; Fordney, Enterprise. Grav secured the passage of a resolution authorizing the secretary of state to give each member and officer of the house a copy of the session laws of

1893, and a history of the c\_r'y Indian

wars. The following bills were passed: To protect salmon in Alsea bay and its tributaries; to create the office of clerk of the justice court in cities of 50,000 population or over; to authorize Multnomah county to lease the upper deck of the Oregon Railroad & Navigation Company's bridge; to provide for the sale of tidelands; revision of the laws relating to negotiable instruments; to protect salmon in Rogue river; to reorganize the state board of horticulture; to protect salmon in Curry county; to provide for the creation of park commissions in cities of 3,000 population or over; to require county clerks to administer oaths without charge in pension matters.

Kuykendall's bills to provide for county elections and upon the running at large of stock, and Cameron's bill to prohibit the running at large of certain animals, were defeated.

The house concurred in the senate amendments to the Curtis fish hatchery bill, reducing the amount of the appropriation from \$25,000 to \$15,000.

### In the Senate.

In the Orgon senate Monday the bill to provide for the reclamation of arid lands under the Carey act of congress was passed by a vote of 21 to 8, after being amended so as to prohibit any one party from taking more than 150,-

The senate committee reported a substitute for Hawson's house bill for artesian wells, the substitute appropriating \$2,000 for an experiment in the county which will offer the greatest money inducement, instead of \$42,-000, as provided in the original bill.

Stillman's bill to withdraw school lands from sale and place interest on school-fund loans at 6 per cent, passed with only two opposing votes.

The sugar-beet bounty bill was recommitted to the judiciary committee for amendments, and the bill to regulate building and loan associations was

indefinitely postponed, because another bill covered the same ground. The bill to appropriate \$25,000 for salmon hatcheries passed by a vote of

Not Enough Votes to Pass It Over the Governor's Veto.

In the Washington legislature Monday it developed that it would be impossible to muster enough votes to pass the capitol building bill over the governor's veto.

The senate was in session but 15 minutes in the morning and adjourned. A resolution was adopted, expressing sympathy for the parents of Sergeant Miles E. Kyger and Dantel T. Kyger, jr., of Walla Walla, members of company I, Washington volunteers, who died recently at Manila.

Bills introduced were: Creating a state board of tax commissioners, consisting of the auditor, secretary of state and land commissioner, to assess railroad property for taxation; providing that \$3 worth of poison be furnished by the county to each farmer to kill ground squirrels.

# In the House.

The Washington house held sessions both morning and afternoon. At the morning session bills introduced were: Releasing personal property from custody, pending appeal; prohibiting the taxing of attorney fees as costs; providing for the county licensing of peddlers; providing for the appointment of a hop inspector; relating to state school taxes; exempting from taxation property of religious, charitable and educational institutions; prescribing the powers and duties of wreckmasters; relating to the disqualification of judges; providing for the foreclosure of chattel mortgages without suit; providing for the appointment of an exofficio surveyor-general and deputies; relating to assessments for local im-

provements. The bill empowering colleges to issue normal diplomas was indefinitely post-

poned after a long debate. At the afternoon session nine laid over, nine read a second time, and four sent back to committees.

Bills introduced were: Regulating fishing industry; making state fish commissioner ex-officio game warden. Bills passed were: Giving cities power to define and punish vagrancy;

relating to the method of decreasing the capital stock of corporations; compelling railroads to fence rights of way, and to pay for stock killed; designating the last Friday in October as the date for holding supervisors' elections; regulating the sale of butter and cheese; providing for the organization of diking and ditching districts; giving electric railways the right of eminent domain; granting rebates on road taxes to farmers using wide-tired ve-

Washington Legislature Took in Large Number Tuesday. The Washington house Tuesday con-

indefinitely postponed, 16 advanced from second to third reading, two ordered printed, one tabled, one made a special order for Friday, and one recommitted.

Bills introduced were: Providing for the organization of mutual fire in surance companies; providing for the general school tax levy; reducing the cost of the administration of small estates; making Indian war veterans eligible to county relief; abolishing capital punishment; appropriating \$392 for the relief of the Olympia Light & Power Company; providing for condemnation proceedings for irrigating General M. P. Miller to Major-companies; prohibiting the poisoning Otis, announcing that Ilo Ilo hi of honey bees; fixing the length of a school day providing for the systematic naval forces Saturday morning. improvement of public roads; relating to county surveyors; relating to the location of mining claims; relating to commissioners ashore from the United lating common carriers, relating to liens on logs.

Field's bill relating to lode and placer claims was made a special order for not to make a demonstration in the in-10:55 A. M., Friday.

Bills passed were: Providing for the investment of the state permanent school fund in 8 1/2 per cent state bonds; investing the permanent school funds in state warrants; preventing the sale ately opened fire upon her. of trout.

the escheats of property; relating to services of summons.

Senate bills passed were: Providng for the issuance and sale of bonds done. to pay the cost of local improvements; requiring road supervisors to destroy Canada and Russian thistles.

The senate, after a long debate, by nearly a unanimous vote, refused to concur in the house amendments increasing the normal school appropriations from the amounts fixed in the senate bill. The house has refused to recede, and a conference committee will be appointed.

Bills introduced were: Relating to the state's share of figuor licenses; prescribing sleeping-car rates; defining and prohibiting trusts; providing for the transportation of freight over connecting roads, and prohibiting discrimination; to regulate mutual fire insur-

The house amendments to the bill appropriating \$1,600 for the commissioner of public lands were concurred

The entire afternoon session of the senate was given up to the discussion of the bill creating the county of Ferry from a portion of Stevens county. The bill passed, with amendments, by a vote of 24 to 5.

### OREGON'S ADMISSION DAY. The Anniversary Observed by Exercises

at the Capitol. The 50th anniversary of the extension of the United States laws over Oregon, as well as the 40th anniversary of the admission of the state into the ture Tuesday with joint meetings in the hall of representatives, to which

to the speeches and music. The meeting was presided over by Governor Geer. Three-quarters of an hour was occupied with an address by the Legislature to the Constitution." The choral union sang, "America," and another selection by the orchestra closed the morning exrecises. In the afternoon, after a solo, "Two Grenadiers," by W. P. Babcock, George H. Williams delivered the occasional address, which was a comprehensive summary of the political history of the early years of Oregon's statehood.

Mrs. Abigail Scott Duniway spoke on "The Influence of Pioneer Women in the Making of Oregon," which was listened to with close attention and was liberally punctuated with applause.

But Little Business Transacted. The admission day celebration interfered with work in the Oregon legislature Tuesday.

The senate convened for general bus iness in the evening, after the joint session. The report of the special committee appointed to confer with the state board of agriculture relative to a state fair appropriation recommended that the appropriation be discontinued, and that the affairs of the State Agricultural Society be wound up. The report was filed.

The following bills were passed: To amend the charter of Salem; to 1egulate horse-shoeing in Portland; to tax bicycles for the support of bicycle paths, after an amendment exempting 18 counties from the operation of the law; to turn into the general fund receipts from a 2 per cent tax on the gross earnings of toreign insurance companies, which now go into the

### school fund. In the House.

After the adjournment of the joint session the house took up the third reading of house bills, which led to a controversy as to the best method of expediting business. During the discussion a motion to adjourn prevailed.

In the senate Tuesday, on Roberts' house bill to provide for state normal schools at Ashland and Drain, one of Bopaparte, third son of Prince Lucien the notable contests of the session was had. First it came from the com- of the older branch of the Benaparte mittee with a recommendation that family, is dead. He was born in Rome \$10,000 be allowed the Ashland school in 1885. and \$7,500 to Drain. This was amended to allow \$7.500 to each. A few minutes later the bill was taken up under a suspension of the rules and put on its final passege. It was carried by a vote of 19 to 10.

# MILLER CAPTURES ILO ILO

NOT AN AMERICAN WAS LOST

The Petrel and the Baltimore Bom barded the Town, Which Caused the Insurgents to Evacuate.

Manila, Feb. 15 .-- The United States gunboat Petrel arrived late last evening with dispatches from Brigadier-General M. P. Miller to Major-General Otis, announcfing that Ilo Ilo had been taken by the combined miltary and General Miller, on receipt of his in-structions from Manila, sent native

the duties of county surveyors; regu- States transport St. Paul, with a communication for the rebel governor of Ilo Ilo, calling upon him to surrender within a time stated, and warned him terval. The rebels immediately moved their

guns and prepared to defend their position. Thereupon the Petrel fired two warning guns, and the rebels immedi-

The Petrel and the Baltimore then bombarded the town, which the rebels, In the senate Tuesday, bills indefi-nitely postponed were: Relating to ated. The American troops were promptly landed and extinguished the fires in all cases of foreign property, but not before considerable damage was

> It is believed the enemy's loss during the bembardment was heavy, but no American casualties are reported.

### The Official Report.

Washington, Feb. 15 .- Shortly before midnight, Adjutant-General Corbin made public the following dispatch from Major-General Otis, reporting the capture of the town of Ilo Ilo by the American forces under General Miller, on the 11th inst.:

"Manila, Feb. 15 .- General Miller reports from Ilo Ilo that the town was taken on the 11th inst. and held by troops. Insurgents were given until the evening of the 13th to surrender, but their hostile actions brought on the engagement during the morning. Insurgents fired the native portion of the town. But little losses to the property of the foreign inabitants. No casual-

ties among the troops." A dispatch also came from Admiral Dewey telling of the capture of the city. It was a brief recital of the facts of the case, but it is said contained substantially the same information as that sent by General Otis. It was sent to the navy department, and is expected to be made public in the morning.

GREAT STORM IN THE EAST.

# It Extends From the Atlantic to West-

ern Texas. New York, Feb. 15 .- The fearful storm which prevailed all day yester-Union, was celebrated by the legisla- day and last night has increased in viowhich has drifted in many places, has many pioneers and prominent citizens almost paralyzed traffic. Trains on all and the public had been invited, and the steam railroads have been delayed probably 1,200 persons were able to for five hours by the storm. Nine Atcrowd within the chamber and listen lantic liners due at this port Saturday

have not put in an appearance. Freight steamers, the voyages of which are growing uncomfortably long. are the Eastern Prince, 24 days out Hon. L. B. Cox on "The Relations of from Shields; Deike Reikmers, 25 days out from Havre; Salerno, 26 days out from Newcastle, England, and the Catania, 18 days out from St. Michaels. The Almida, 55 days out from Shields, has been about given up as

lost with all on board. There is no doubt that a large fleet of steamers has arrived in the vicinity of Sandy Hook, and is waiting outside for the blizzard to pass.

# Four Lives Lost.

Marlboro, Mass., Feb. 15 .- A policeman who went to a small house in the rear of a shoe factory tonight to investigate a fire found the house full of smoke, and in a room off the kitchen four persons lying on a mattress, which had been placed on the floor, all dead, and in the kitchen three other persons in a state of insensibility.

# In the South.

Atlants, Ga., Feb. 15 .- The South is today enveloped in a storm of unusual severity. From the Gulf northward, and from the Atlantic coast to the western boundary of Texas, a cold wave has settled heavily on the country, and produced the lowest temperature ever known.

# Fifty Below in Manitoba.

Washington, Feb. 15.-The weather bureau today issued a special bulletin. It shows that 50 degrees below zero was recorded at Minnedosa, Manitoba. The outlook is there will be a marked though gradual rise in the temperature east of the Rocky mountains after today.

Discredit the Andree Story.

London, Feb. 15. - According to a dispatch to the Standard from Stockholm, Nansen and Nordensjold, the explorers, refuse to credit the story from Krasnovarsk of the finding, in the province of Yeniseisk, of the bodies of three men, supposed to be of Andree and his companions.

Rome, Feb. 15 .- Prince Napoleoa Charles Gregoire Jacques Philippie Bonaparte, prince of Canino and chief

A report comes from Washington that the subcommittee of the American members of the joint high commission will concede a portion on Lynn canal, Alaska, to Canada in return for fishing concessions on the Eastern coast.
