Arrangements have been completed by which all who wish to attend the performance of Ringling Bros.' World's Greatest Shows in Portland, Mon. and Tues. June 12 and 13, can secure special excursion rates on all lines of travel. This will be the only point in this vicinity where the great show will exhibit during the present season, and those who fail to see it will miss the grandest amusement event of the year. Since last season Ringling Bros.' famous exhibition has been doubled in size and is now beyond all question or doubt the largest and best combined circus, menagerie and hippodrome in the United States. The performance is given by over 200 high salaried specialists, in three rings, on two stages, in mid-air, and on a huge quarter-mile hippodrome track. The trained animal features, which are alone worth many times the price of admission to see, include three troops of wonderfully educated elephants, Lockhart's play-acting elephants, Marchand's pugilistic pachyderms and Souder's elephant brass band, and Obrien's sixty-one horse act in which three-score hands some equines perform in one ring, at one time, under the direction of one man. The grand free street parade which takes place at 10 o'clock on the morning of the exhibition is the most magnificent display ever seen. Don't miss it.
