TEACHERS' MEETING. A Successful Monthly Session at Harmony.

The teachers' meeting held at Harmony last Saturday was one of the most successful and entertaining recently held in this county. The weather, the people, the teachers and the beautiful surroundings all harmonized.

As agents for a new stump blasting, bank blasting, and mining powder (the California Vigorit powder) we challenge the representatives of any powder company on earth at any time and place to test their powder against ours for strength, superiority and cheapness.

Superintendent N. W. Bowland, the president of the meetings, is the right man in the right place—affable, polite and skillful as a presiding officer.
