Who is to Blame-

Kidney trouble has become so prevalent that it is not uncommon for a child to be born affected with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, and it is yet affected with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose. If the adult has rheumatism; pain or dull ache in the back; if the water passes in irregular quantities; or at irregular intervals or has a bad odor; if it stains the linen or vessel the color orange; if the feet swell; if there are puffy or dark circles under the eyes; your kidneys are the cause and need doctoring. Treatment of some diseases may be delayed without danger, not so with kidney disease. Dr. Kilmer's Swamp-Root the great kidney, liver and bladder remedy promptly cures the most distressing cases. Its mild and extraordinary effect is soon realized. Sold by druggists in fifty-cent and dollar sizes. You may have a sample bottle and pamphlet telling all about it sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention that you read this generous offer in the Oregon City COURIER-HERALD.

Discovered by a Woman.

Another great discovery has been made, and that too, by a lady in this country. "Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recover, by purchasing of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved after taking first dose, that she slept all night; and with two bottles has been absolutely cured. Her name is Mrs. Luther Lutz." Thus writes W. C. Hamrick & Co., of Shelby, N. C. Trial bottles free at Geo. A. Harding's Drug Store. Regular size 50c and \$1.00. Every bottle guaranteed.

As agents for a new stump blasting, bank blasting, and mining powder (the California Vigorit powder) we challenge the representatives of any powder company on earth at any time and place to test their powder against ours for strength, superiority and cheapness. This powder has been tested by Clackamas county and many individual citizens and is acknowledged to be one-third cheaper than any other powder. Its safety is one of the chief features of superiority.
