Where Will We Spend Our Summer Vacation?

This is the time of year to think about it, but before you decide, write for an elaborate, illustrated pamphlet showing numerous photo engraved views of the many attractions at the seashore and en route, and advantages of the Columbia river beaches as reached by the Astoria and Columbia River Railroad. Three hours and thirty minutes from Union Depot, Portland, to your beach hotel, in a magnificent parlor car without change or transfer is a convenience and luxury few resorts can offer. Such is the initial attraction of this favorite resort.

Thousands Have Kidney Trouble and Don't Know It.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it,—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney poison in the blood is liable to attack the vital organs, or the kidneys themselves break down and waste away cell by cell. Then the richness of the blood—the albumen—leaks out and the sufferer has Bright's Disease, the worst form of kidney trouble. Kidney trouble can be detected although it be slow and deceptive. First, by analysis of the urine; second, by a simple test of setting the urine aside in a glass of bottle for twenty-four hours, when a cloudy or brick dust settling indicates it.

It was for just such troubles that in His infinite power and goodness the Great Physician caused Swamp-Root to grow for the benefit of mankind, leaving it for His servant, Dr. Kilmer, the great kidney and bladder specialist to discover it and make it known to the world. Its wonderful efficacy in promptly curing the most distressing cases is truly marvelous. You may have a sample bottle of Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, by mail free. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper. Druggists, in fifty-cent or dollar sizes.

The artist who is in search of attitudes descriptive of torture, and poses depicting suffering, need not go to the Christian martyrs of old. If he could only see through the walls into tens of thousands of homes all over this land, he would see women undergoing tortures in silence without complaining, before which the brief ordeals of the martyrs pale into nothingness. No one but a woman can tell the story of the suffering, the despair, and the despondency endured by women who carry daily burden of ill-health and pain because of disorders and derangement of the delicate and important organs that are distinctly feminine. One of the worst effects of troubles of this kind is upon the nervous system. The tortures so bravely endured completely and effectually shatter the nerves. Dr. Pierce's Favorite Prescription is an unfailing cure for all weakness and disease of the feminine organism. It makes it strong and healthy. It allays inflammation, heals ulceration and soothes pain. It checks exhausting drains and tones and builds up the nerves. It fits for wifehood and motherhood. Good medicine dealers sell it, and have nothing "just as good."

"Since my last child was born, thirteen years ago, I have suffered from uterine trouble," writes Mrs. Paul Deverne, of Jellico, Campbell Co., Tenn. "I consulted several doctors and took much medicine, but found no relief. I had very bad health for twelve years. Every month I was in bed a week before the monthly period and a week after. I was obliged to keep in bed for four months last summer. I was just like a corpse. I lost twenty-six pounds in four months. I was coughing so much I was considered in consumption. I suffered severely from pains in my back, bearing down pains in the womb, chills and cold sweats. After taking four bottles of Dr. Pierce's Golden Medical Discovery, my coughing stopped, and after six bottles of Dr. Pierce's Favorite Prescription my periods became regular and were passed without pain. Now I am fleshy, more so than ever before. My neighbors are surprised to see me in such good health after having seen me so low."

Constipation causes and aggravates many serious diseases. It is speedily cured by Dr. Pierce's Pleasant Pellets.
