WANTED—A good, trusty horse and buggy at once. Must be reasonable. Address, Rev. S. Copley, Oregon City, giving description and price.

N. Y. World and Courier-Herald \$1.75

Every woman should know that there is a great home medical book that tells all about the reproductive physiology of women, and all about the home treatment of diseases peculiar to the sex. This book contains 1008 pages and over 700 illustrations. It is called Dr. Pierce's Common Sense Medical Adviser. It used to cost \$1.50. Over seven hundred thousand people purchased it at that price and over 1,200,000 people now own copies of it. For a limited time copies will be given away free.

This great book contains the names, addresses, photographs and experiences of hundreds of women who were once hopeless invalids, but who have been restored to robust womanly health by the use of Dr. Pierce's Favorite Prescription. This marvelous medicine acts directly on the delicate organs distinctly feminine. It makes them strong, healthy, vigorous, virile and elastic. It fits for widowhood and motherhood. It banishes the usual suffering of the expectant months, and makes baby's advent easy and almost painless. It robs motherhood of its perils. It insures the robust health of the little new-comer and a beautiful supply of nature's nourishment. It transforms weak, sickly, nervous invalids into healthy, happy wives and mothers. For a paper-covered copy of Dr. Pierce's Common Sense Medical Adviser, send 21 one-cent stamps, to cover cost of mailing only, to World's Dispensary Medical Association, Buffalo, N. Y. For elegant French cloth binding, 31 stamps.

Miss Edith Cain, of Clinton, Allegheny Co., Pa., writes: "After two years of suffering, I began taking Dr. Pierce's Favorite Prescription and am now entirely cured. I had been troubled with female weakness for some time and also with a troublesome drain on the system, but now I am happy and well."

In cases of constipation and torpid liver, no remedy is equal to Dr. Pierce's Pleasant Pellets. They regulate and invigorate the stomach, liver and bowels. They never fail. One little "Pellet" is a gentle laxative and two a mild cathartic. They never gripe. An honest dealer will not urge a substitute upon you.

Champion Unequal for Light Draft. Easy Handling and Durability

HIGHLAND, OREGON, Nov. 8, 1898. Mitchell, Lewis & Staver Co., Portland, Oregon.

GENTLEMEN:—I desire to offer this as my testimonial in behalf of the 6-foot Champion Binder and Bundle Carrier purchased from you this year. For lightness in draft and ease of operation, simplicity in construction and durability, I will say that no machine to my knowledge is its equal, nor near it. Having cut 150 acres of grain, the machine did not cause me five minutes' delay, consequently not a cent for repairs. All the Champion machines put in my neighborhood have given equally good satisfaction. In fact, I want no better machine than the Champion. FRED SCHAFER.

Cheerfully Recommends the Champion

HIGHLAND, October 25, 1898 Mitchell, Lewis & Staver Co., Portland, Oregon.

GENTLEMEN:—The Champion Binder bought of you the past season has given me good satisfaction, and am well pleased with it. We can cut grain that another make of machine would not handle. All the farmers we cut for are more than pleased with the work, and have promised us their entire cutting for another year. Can cheerfully recommend the New Champion Binder to my friends, acquaintances, and fellow farmers who expect to buy Binders in 1899. G. WALLACE.
