Albany Volunteers Will Come Home to Celebrate.

ALBANY, Ore., Aug. 6.—The committee appointed to arrange for a reception to Company I, Oregon volunteers, on their return Thursday, met this afternoon and completed the plans. The young veterans of the Philippine campaign will be met at the station by the people of the city and country, several thousand in number.

A letter received this morning from Captain Phillips says the members of Company I from Oregon City have agreed to stop at Albany and remain until the following day, when the members from Albany will go to Oregon City to join their comrades in a reception there. A special car will be dropped at Albany for this purpose.

After the welcome at the station, a procession will be formed with old soldiers as a guard of honor, and march to

A sword will be presented to Major Ellis and a sword, carried by Captain W. N. Phillips during the civil war, will be presented to his son, Captain M. D. Phillips. The presentations will be followed by toasts and responses by citizens and members of Company I. President Lee, of Albany college, will preside. The address of welcome will be delivered by W. R. Bilyeu. Short speeches will be made by C. B. Montague, mayor of Lebanon; George C. Brownell, of Oregon City; Major Ellis, Captain Phillips and others.

A ROYAL WELCOME. The Heroes of Malabon Return to Oregon.

The Oregon Soldiers Honored Everywhere Along the Route.

Company I's Brave Boys Receive their Share of Compliments, and will be Honored at Home To-Day.

Thousands of People Greet the Train-Load of Returning Volunteers.

Hurrah for Company I!
Hurrah for the entire Second Oregon regiment!

Hurrah for the returning soldiers from the Philippines—the heroes of Malabon and many other battles!

Oregon City and Clackamas county bid you welcome, a thousand times welcome! Not a soul here is so dead to patriotism or generous impulses as not to join in the festivities of this, the greatest day in the history of the seat of the first government in Oregon.

The brave soldiers, who have added luster to the glory of Oregon, the proper authorities will give you the freedom of the city today. It is yours. The best is none too good for you.

Others have done well; you have done better. We honor you because you are worthy of honor. Your conduct and your deeds have been honored in song and poetry, and it is but superfluous to repeat them here.

The girls join in extending to you a most cordial, enthusiastic welcome, and they are very much in evidence today. The boys who didn't go to war will take a seat in the back gallery and wish from the bottom of their souls that they had gone across the seas to the wars. However, they will not be envious or jealous, but will cheer loud and long for the returned volunteers and feel proud that they are of the same blood and from the

same state as the Oregon soldier. The prettiest girls, for they are all good and beautiful, will give you their sweetest smiles from this day and henceforth. Your mothers, sisters, cousins and sympathetic women friends have laid awake of nights praying and planning, anxiously, nervously waiting for your return. Their thoughts have been of you and for you continually.

The business men and other people have contributed liberally toward your reception, to make it an occasion worthy of your unselfish services to the country and the flag. Thousands of people are anxiously waiting to greet you today. The very best has been prepared for you.

Roake's cannon began early this morning to usher in a great patriotic celebration. Its echoes were heard from hill to hill and drowned the roar of the falls of the Willamette. Broderick's park has been cleaned up, decorated and dressed as it was never before attired. The entire city is in holiday regalia. Many of the best people of Clackamas county are here to do the occasion honor.

Jones Lever Binder

This celebrated binder has gained an enviable reputation in the last four years in Oregon. It represents lever power as applied to binding grain. It will run lighter, last longer and bind tighter than any other binder in the market. The Jones Chain Drive foot lift Mower has no back lash, runs light and is very durable. Will cut heavy grass with ease.

I also carry a full line of Hay Rakes, Tedders, Hay Tools, Advance Thrashers and Traction Engines, John Deere Plows, as well as a full line of Agricultural Implements and Vehicles. Call and see me before buying.

ley and Private Phillis Holden returned home some months ago on account of illness, not from any lack of patriotism. They were among the first to enlist in the service of their country. Lieutenant Fieding S. Kelly, who was battalion adjutant, attached to Company D, did good service as acting captain, and he-long here. J. D. Humphrey, of Company A, is also an Oregon City boy. Fred Humphreys, an Oregon City boy in Company M, returned with the advance guard Wednesday. James Rintoul, who was sergeant major on the colonel's staff, returned home some time ago. J. D. Harding was mustered out and will remain in Manila. Chris Muralt returned home Friday, after securing a leave of absence on account of the illness of his father. He was mustered out by telegraph Monday.

RECEPTION NOTES.

This will be a joyful day for parents and relatives of the volunteers, and will go down in history as the greatest of local anniversaries. Upon the arrival of the train, the boys will be escorted to the armory, where they will receive the congratulations of friends.

It will be a great day for the Grand Army veterans and the Veteran Union veterans. It will remind them of the days when they came home from the wars long ago, and they will become

Our Guarantee

Has gone along with every bottle of Dr. Baker's Celery Kola and still we never have had a customer ask for his money back. This is especially gratifying when hardly a day passes without a satisfied customer comes in to get "just one more bottle to complete the cure."

One man sends down from Aurora for three more bottles and says he is certain that these will cure his wife as the first one she took did her more good than all the medicine she had taken in a year. As I have not heard anything to the contrary from him I fully believe these four bottles have cured his wife; and his total outlay for this medicine amounted to \$2.60.

Celery and Kola Compound was first made as a woman's medicine but I have fully as good reports from men. One old gentlemen, who came in a few days ago for another bottle, said the first time we told him if it did no good to come and get his 65 cents, but it did him so much good that he wanted another, and that we need not guarantee this one. Celery and Kola possesses a great advantage over the ordinary Celery Compounds in that the addition of Cocoa Leaves and Kola Nut add at least one-half to its efficiency. According to reports of Dr. Schuchardt of Gotba:

Kolo is especially useful in conditions of weak heart, in neuralgia, in dyspepsia, in chronic and obstinate diarrhea and finally as an exhilarant in all cases of mental depression.
